202F Lions Out and
About

2022

To my fellow Lions in District 202F

As I sit here writing my final article for the Southern Chronicles as your District Governor, preparations for our Not A Convention in Owaka on the 11 and 12 June are being finalised. We have good number registered to attend both Saturday and Sunday although unfortunately our friend Mr Covid has once again intervened, causing a few people to withdraw. I feel for them as I know how eagerly this weekend has been looked forward to. And the weather forecast is also looking a bit dodgy. The hardy souls who choose to brave the elements will certainly get a taste of Catlins weather, that's for sure.

I must apologise for the confusion I caused after last month's Southern Chronicles came out. I know that our Young Speechmaker Competition is always held on a Sunday. So then why you may ask did I put down a Saturday. No excuse really but I need to confirm that this year's competition is being held on Sunday 26 June 2022 at the Gore Senior Citizens Centre starting at 10:30am, although a cuppa may be available prior to that. If you've never been to a Young Speechmaker Competition, can I encourage you to think about coming along. The talent and confidence of the young people who take part is phenomenal. They truly are the leaders of tomorrow, as is proven on the day.

I hope that Clubs have remembered that Lions International has extended the waiver of new members entrance fees until 30 June 2022. So if you're wanting to take advantage of this saving, make sure any new members are entered into your club records in MyLCI by the 30th which is now only a couple of weeks away.

My thanks go to those clubs that have added new members this year. My membership goal for the year was that every club in 202F would have a net growth of one. Just one. But given the year we've all experienced, and the challenges that Covid has wrought, I know this has been a struggle. Looking at the statistics however it would appear we may have a couple of clubs that have achieved this. Once the 2021-2022 Lions year is officially over, with District Governor Elect Jerry's permission, I'd like to be able to publish details in the July edition of this fine Bulletin.

Continues on page 3

Message from Pam Fiveash

Continues from page 2

I can tell you though, that as of today, the current membership in 202F is 1200, which is a drop of 53 from the start of this year. Although we've added 62 new members, which is significant, 115 others have been dropped. It doesn't make for good reading does it. All I can ask of you is to keep on spreading the word about how awesome it is to be a Lion. Tell others about the great work you and your fellow club members are doing. Invite them to help with a project so they get to see first hand the difference we all make in other people's lives. And surely if we continue to do this, our membership will once again be on the rise.

I'd like to finish by thanking each and every one of you for entrusting me with the guardianship of our District during the 2021-2022 year. I've thoroughly enjoyed the experience and am so thankful for the opportunities it's given me. I've had the pleasure of visiting every Club in 202F, from Wanaka at the top of the District to Stewart Island at the very bottom. Plus every place in between where there is a Lions Club. And on every visit I've been given the warmest of welcomes and been treated to good old Southern hospitality. I count myself fortunate to now have friends the length and breadth of this wonderful country called New Zealand. Thank you fellow Lions, from the bottom of my heart.

And as always, but for the very last time, I'd like to leave you with a smile quote: "Let your smile change the world, but don't let the world change your smile" (thanks to Lion Daphne Dixey of Gore Pakeke Lions).

Take care everyone, stay safe, and until I meet you again, whenever and wherever that may be, I remain yours in Lions.

Hello Fellow Lions and friends of the lion's family.

How fast has the year gone? After having a rememberable "not a convention" in Owaka, with good food and Great company. What a way to close the Year for our DG Pam Fiveash. Thank you, DG Pam, for a great weekend. It is important to celebrate our achievements how big or small as jet another lion's year is coming to an end.

At this time of year, clubs are preparing for club change overnight and pas over the reins to the incoming club president. What better way than to celebrate we are LIONS and have earned it. After covid was getting some of us down. Be creative and most of all have fun. And for all the new Presidents for the coming LIONS year, set your goals and make it interesting for all-club members.

I am soon off with my wife Henriët, to Montreal to meet a lot of other DG – Elects, to be inducted by the incoming President Brian Sheehan on the 24 till 28june. Until than you are still in safe hands with District governor Pam Fiveash as your District Governor. I am doing some final preparation and training. Before we leave for our trip.

Thank you for your support during the year.

Greetings from
Your District Governor-Elect
Jeroen Schuurmans

JUNE 20
World Refugee Day

Even with Covid and the impact this has had on many people and also those in Lions, it is hard to imagine life without Covid ruling our lives now. Yes we had to put some Events on hold but at the end of the day, the health of our Members and the people living in our communities took priority. When I reflect on my role as GST Coordinator for District 202F there has been many good times. I have been so fortunate to have a GST 'boss' namely Wendy Goodwin who has always been there with her words of wisdom and advice. And believe you me, I did need this as I started along the journey of the GST Coordinator for our District. So thank you Wendy for always being there and guiding me in the right direction over the past 12 months.

A huge thanks must go out to all the Zone Chairs. Nothing was ever a problem (or if it was they never said it directly to me). Thank you to all of you for your support and for the ongoing support you gave to the Clubs in your Zone. Many of you are leaving this position and I hope our paths continue to cross in the future. And also a thank you to DG Pam Fiveash for all your support and encouragement over the past year.

Training: A huge thank you to the Secretaries who went to the District Training Day held in Tapanui last month. Also to Guy Harris and Kay Jopson who helped people navigate Service Reporting. Many have stated this was one of the best training days that has been run by District 202F. One of the GST Goals for the 2021/22 year was to obtain 50% of all Clubs doing Service Reporting. The latest Club Health Assessment to come out showed that our District had 29 out of 39 Clubs doing Service Reporting over the last 3 months. Congratulations to you all. The challenge of course is to keep Service Reporting up but I am feeling confident as the majority of Secretaries are remaining in office for the next financial year. Guy will be continuing to work with Club Secretaries who could not attend the Training Day.

Lions Learning Centre: Have you checked out the Lions Learning Centre? You will need your Lions ID and your email address. Google Lions International and Hey Presto it comes up with all these on line courses you can do. A lot of these courses are transferable skills which you can put onto your CV (and some of them are only 15 minutes long).

VOLUNTEER WEEK 19TH TO 26TH JUNE 2022

National Volunteer week is coming up. Did you know that there more than one million people across Aotearoa New Zealand who volunteer for an organisation, contributing more than \$4 billion to the economy? And then there is much more happening within our communities and informally between people. It is time to recognise and celebrate volunteers.

The challenge is to ALL LIONS to tell your personal story as to why you volunteer as a member of a Lions Club. Share your story on our Facebook pages, in your Bulletins or with Members of your GAT team. Get an article in your local newspaper. Let's hear your voices. Let's hear about the great work you all do in your community.

In the last month I have seen some fantastic Events happening around our District from chopping fire wood, to donating iPads to a primary school, helping with restoration of the St James Theatre in Gore, various Street Appeals, a Club sponsored a member to do a sky dive in support of Southland Cancer Society, an upgrade at the Butterfield Beach picnic area on Stewart Island. Another Club were asked to set up the local hall with seating and a stage for a memorial service for a well-known young man. Making up food parcels which has been ongoing since Covid just to name a few of the volunteers hours happening in our communities.

Kindness Matters

And a note to finish up on. Invercargill Host recently received another shipment of Lion Leo Toys from China – 500 in total which they give to the St Ambulance staff to hand out to young people or the elderly being transferred to hospital. One little boy was so taken with receiving a Lion Leo Toy that when he was well again, he and his Mum went into the St John's Ambulance office with one of his own favourite toys that he wanted to be passed onto another child.

We also know that one of these Lions sits on the dashboard of one of the transfer ambulances that goes through to Dunedin. (Photo courtesy of St Johns Invercargill).

Message from Alan Fleury

First District Governor Elect 202F District

I thought I would start my first report to the bulletin by reporting on what I've been up to this month firstly. I went to visit the Wanaka Upper Clutha club where Immediate Past District Governor was asked to induct the new incoming board. What an amazing positive fun-loving club this group of Lions are. Full of enthusiasm and happiness it was a real joy to be part of their night thanks to President Barbara for asking me to attend with Sue.

The following night Immediate Past District Governor Sue and I attended the Alexandra Lions club meeting which was held at the Chatto Creek Tavern. This meeting was attended by members of the club and partners and once again was a fantastic night, this is the first time the club has been away from their normal venue for a considerable time which just goes to reinforce in my mind that clubs need to get out of the normal routines and think outside the square for venues for meetings and projects. One of the highlights for this night was Immediate Past District Governor Sue inducting a new member to the club. This is the first new member the club has inducted for quite some time so again was a highlight. Welcome Lion Peter to the Alexandra Lions Club.

It is great to see more and more new members joining Lions Clubs. Monday night I attended the Clyde and Districts Lions Club meeting and at this meeting also there was a new member inducted welcome to Vivian. Once again, a great club going forward in leaps and bounds. This club is also doing great work in the community.

As most of you will be aware one of my main focuses is service in our communities as I strongly believe that this is how we are going to get our Lions name out there and from this we will attract new members. So, let's think of ways we can do service in the community and be seen.

The other highlight for me this month has been attending the District Convention in Owaka over the weekend. It was a great night on Saturday night the Owaka Lions Club catered a great meal. At the start of the night the awards were presented.

What a buzz for the clubs to be recognized for their hard work and

dedication through the year, and also to see individuals recognized for their achievements through the year. I don't normally like pointing out individuals in case I miss someone, but I believe there is some that need to be pointed out PDG Dave Saunders was awarded a Lloyd Morgan Life Membership for his service given to the district. Also recognized for her work for the district was IPDG Sue Fleury, who was also presented with a Lloyd Morgan Life Membership. Lynette Batt was presented with International Presidential Medal for her work and the 202F Cabinet over the past 17 years which included numerous roles, including District Governor. The other person who was presented with a Presidential Certificate for his work on cabinet. He also has held numerous roles including being District Governor, But James has been District Treasurer Since 2017. These awards not only by individuals but by clubs we're all richly deserved and my congratulations go to all those he received them. Well done DG Pam and the team of Lions from Owaka for a great weekend, very enjoyable.

It is pleasing to see there is a lot more positivity within clubs, and a lot more community service is being done with great results. For those of you who have heard me speak I am a strong believer in serving a community, and I strongly believe this is how we are going to increase our membership. I know a lot of people get sick of hearing us going on about increasing membership, but at the end of the day if Lions don't have a membership, we don't have Lions and our communities would be a lot worse of without the support of Lions.

I look forward to the challenges the new year will bring and look forward to working beside DG Elect Jerry. Above all, I look forward to visiting the clubs to hear about the wonderful projects your clubs are doing in the community.

Until next time stay warm end safe.

Yours in Lionism

Alan Fleury

Our volunteer hours have a positive effect on many peoples lives in our community and the wider province. We can be extremely proud of this.

At our last floor meeting we made 68 little care packages for the Rest Home residents as a little treat while in lock down with covid. We put Favourite Chocs and Diabetic lollies in them.They were very well received. So we are to make some more soon.

Fundraiser wins award

A hair-raising project has won Gore Hokonui Lions Club members a national Lions award. The group won a top club service project award for its efforts to raise money to support children with diabetes. The club ran the Hair Raiser fundraiser in March last year, project convener Elaine Scott said. The event was held as part of the Hokonui Community Market. Diabetes Southland staff were invited to have a table at the market with information about diabetes. Market-goers could also have their blood sugar levels tested by the staff. During the market people could give money to the cause. After the market finished at 1pm, club member Julie King's hair was shaved off.

Former Clutha-Southland MP Hamish Walker, who is a diabetic, helped shave her head. Cave FM owner "Caveman" Robert McKenzie was the master of ceremonies for the shave-off. "He had to work in the morning and he gave lots of calls out on the radio and people were coming in and making donations . . . which was so wonderful." Mr McKenzie also offered to shave his beard off if people gave to the cause. The event raised \$2500 on the day, Mrs Scott said. "We were amazed the community

got so behind it," she said. One of the criteria of the award was all club members needed to be involved. If members could not be there on the day, they could help in other ways such as by selling raffle tickets or baking for the cake stall, she said. Entries for the competition closed on March 1 and the results

were announced recently. When she found out the club had won the award she nearly cried, Mrs Scott said. "It was just so beautiful. Just amazing." The club had already chosen the project to enter for next year's award, she said.

thirty students selected from around New Zealand to do so. Hargest has a proud tradition of making a difference in the world via the famine and the offer of a place on this Summit was a recognition of our efforts over the years which total more than \$150,000.00.

Form classes will hear more details of how to be involved in the Famine near the time. Food, devices, furniture and more are on offer for students to do without for 40 hours. Alternatively you can select an activity to do that echoes 40. For example, walk or bike 40 kms. Parent supervision is required for your child as they participate. Students will create their own Famine page and all donations are online direct to World Vision via this page.

James Hargest College is committed to raising funds for the 40 hour famine. This year the famine is July 1 - 3. It is our habit to fundraise before the event as well as on that weekend. With Covid impacting our community at the moment, we are looking to raise money in different ways. In particular we are keen to raffle items that appeal to our students.

If you are able to donate any new items we would be very grateful to hear from you. Please email Mrs Oregon noraig@jmhargest.school.nz

1. Wanaka App for Quiz Night with Proceeds to the Wanaka Coastguard.

We successfully used this social media to advertise the event. George our convener had a full house of 23 teams entered, with \$7000 raised for Coastguard new clubrooms furnishings.

2. Creating a Club Whatsapp to more easily connect with members.

Steve Richmond, our then secretary, in late 2019 got the go ahead from our Board.

He had the members cell phone numbers on his phone. He was ready to go. In leading this new initiative Steve spoke to members regularly at the next 3 tea meetings. He made himself available to individual members - to assist in - easy how to use technique and offered huge encouragement to members not familiar/confident with this means of communication.

Within 6 months in July 2020, 96% of membership were connected.

Benefits

Easy to create and use.

Everybody knows what is going on - not just Board members.

Membership is regularly involved and informed

Open short communication to all - everyone can contribute

It's immediate, with members responding accordingly.

You can share txt messages, photos, videos.

Keep it simple - only used when needed

Reduces member time in organizing, yet membership always up to date and connected

Easily used nearly weekly for much need communication and member response.

Notable Success Stories .

Almoner - keeping members up to date with regards to 2 member serious health issues. No need for telephone tree, with some branches only just hanging on.

Firewood working bee - This coming Saturday. Can you assist ? within 36 hours knew who was available, splitters booked accordingly, catering numbers for lunch known.

Very Short notice

On a Friday morning QLDC asked us whether we could provide a free sausage sizzle at a drive up, no appointment Covid vaccination station at Wanaka Old Mitre 10 carpark. Catering for up to 600 people the next day (Saturday)

Introduction of Whatsapp as an easy immediate communication tool to our members has been extremely successful. Full buy in by members.

It is being used at least fortnightly with positive member response.

President Malcolm Mitchell spoke highly of this successful social media platform at a recent Presidents dinner.

Steve this year was invited to neighbouring club – Cromwell, to speak to membership about the benefits/success of Whatsapp for our Lions Club.

YOUNG SPEECHMAKER CONTEST

DISTRICT 202F CONTEST

DATE: SATURDAY 25 JUNE 2022
VENUE: SENIOR CITIZEN ROOMS 10B ARDWICK STREET, GORE
TIME: 10.30am (contestants must report by 10.10am sharp)

Family and friends of contestants are welcome to attend to offer support.

The Lions Clubs of New Zealand offer youth 16-21 years of age the opportunity to participate in a public speaking competition. Youth must have attained seventeen years of age and not have had their 21st birthday by 1 December 2021.

Each contestant will be required to deliver a prepared speech of not less than five minutes or more than six minutes. The topic is at the discretion of the contestant. Penalty points apply for under and over time.

In addition, an impromptu speech of not more than two minutes on a topic determined by the judges will also be delivered by each contestant. Penalty points apply for over time.

District Finals will be held throughout NZ during May and June 2022 to determine the winners per district. These winners will travel to the National Finals to be held in Wellington. All travel to the finals is at the expense of New Zealand Lions Clubs. The National Finalists will be required to deliver the two speeches as aforementioned.

If you are interested in this contest, please contact Lions District 202F Young Speechmaker Co-ordinator

Congratulations to you both . Well deserved

Just smile.

What Smiles Can Do

A smile is quite a funny thing,
It wrinkles up your face,
And when it's gone, you never find
It's secret hiding place.

But far more wonderful it is
To see what smiles can do:
You smile at one, he smiles at you,
And so one smile makes two.

He smiles at someone since you smiled,
And then that one smiles back;
And that one smiles, until the truth
You fail in keeping track.

Now since a smile can do great good
By cheering hearts of care,
Let's smile and smile, and not forget
Those smiles go everywhere!

WANTED

OLD LIONS PINS

LMLCCT

WANTED.... OLD LIONS PINS... LMLCCT

PDG BRIAN GROUNDS is the co-ordinator of this project.

Unwanted pins from ex-Lions, estates, house downsizing, etc can be sent to him at 66A Cutten Street, South Dunedin 9012.

briangpins@xtra.co.nz 02 74328182

Pins are checked and sorted and then hopefully on sold to collectors world-wide with income going to the LMLCCT.

As PDG Brian has recently retired he would also like to spend time updating the 1st edition of NZ Lions District Pins booklet produced 1998.

Any District pins from that date would be appreciated.

The more pins the merrier

Thanks
Brian Grounds

**LMLCCT
PINS... MD/DISTRICT DURING COVID.**

During the last few years due to limited in-person conventions, pins, although produced, have been hard to purchase.

Below is sample of these pins...., all still available.

LMLCCT Pin Co-ordinator, PDG Brian Grounds has now retired to Dunedin and is responsible for their availability.

[He also welcomes old pins, NZ & world for re-supplying rather than possible dumping].
