Lions Clubs International District 202F

DG Sue Fleury

We Serve Hi Everyone

Well what a strange week it has been with the re-emergence of Covid-19 in New Zealand.

I think some of us were getting a little complacent and this has been a timely reminder that we are not out of the woods yet. I was to travel to Wellington last Friday to the first council meeting but this had to be cancelled and we completed this by zoom. This works well but is very tiring and hard to stay focused on a screen for a total of 12 hours over the weekend. This certainly is not as good as a face to face meeting and you miss out on the discussions you have over morning tea and lunch breaks with the other DG's and the information you share during these times, instead you are in your own kitchen making a coffee. We did however cover all the agenda and it served its purpose.

Well a lot has happened since the last flyer, with the first cabinet meeting completed and the Presidents Lunch. The president's lunch was a great day and I have had feedback from several of the presidents that they liked the training session prior to the lunch. I think this format worked very well. Thank you to all who attended.

My thanks to Pam McCall on another successful Computer Capers, Pam does a wonderful job of running this event. Prises are going out the clubs this week.

Please remember to report your service on My Lion and if clubs are making Face Masks for the community please report these as a Humanitarian project. Please contact Ann Saunders if you are having trouble getting onto My Lion 202f.webmaster@lionsclubs.co.nz and if you need help reporting your service please contact Allan Fleury GST coordinator 202f.gst@lionsclubs.co.nz I would like to see an increase of the number of clubs reporting their service I know you are all doing great service projects but not reporting them.

I have started my club visits for the year and have very much enjoyed my evenings with the clubs. I love hearing what you are doing and being part of your meeting for the night. From what I have seen so far you have all come back after the lockdown and are working very hard. I have noticed in some clubs there is an increased number of social events since the lockdown and this great to see.

Kind regards and stay safe

Sue Fleury

Chairperson: **Shona Cook**
Apologies to: 202f.zone7@lionsclubs.org.nz
Date: 13th August 2020
Place: Conference Room
 Southland Disability Enterprises
Time: 7.30pm

Dear Lion,

The last few months have been a time of challenge in our world. However, wherever there is challenge, there is opportunity for Lions. Our ability to respond so quickly to the coronavirus (COVID-19) is a result of our Foundation, and funds raised through Campaign 100. Lions around the world are making great strides in helping communities in need as much as possible, safely. LCIF, your Foundation, has been there every step of the way—providing more than US\$4.5 million and more than 280 grants to COVID-19 relief efforts. As Lions continue to support their communities through the pandemic, LCIF is providing critical assistance and preparing for a post-COVID-19 world. We can't forget the ongoing challenges people face every day. Those who are food insecure still fight hunger. Natural disasters devastate communities. Individuals struggle with the effects of diabetes. The need of our service is still there. LCIF is ready to empower your service. Encourage your club or your district to apply for a District and Club Community Impact Grant (DCG) to serve your community's needs. Support the Foundation through a gift to Campaign 100. Commit to becoming a Model Club. Be a part of the biggest comeback the world has ever seen.

The world is waiting.

In friendship,

Gudrun Yngvadottir

Chairperson,

Lions Clubs International Foundation

Global Statistics

Each year, more than 300,000 children are diagnosed with cancer globally. This means that a child is diagnosed with cancer every 2 minutes. Globally, 37% of children with cancer survive, but survival rates vary widely by region.

In 2018, the World Health Organization launched the Global Initiative for Childhood Cancer with the goal of reaching at least 60% survival rate for children with cancer by 2030. The Initiative brings together stakeholders from around the world and across sectors towards the common goal. LCIF has begun working with the Initiative to explore new ways in which Lions can help children with cancer in their communities.

[Statistics from the World Health Organization](#)

Handmade Wigs Turn Kids Battling Cancer into Superheroes

With a grant from LCIF's partnership with Anthem, Lions create fun wigs, letting kids who have lost their hair due to cancer treatment feel like superheroes. Learn more about how Lions and LCIF help kids as they battle cancer.

"We Serve Because Kindness Matters"

Attention 202F Lions Clubs

7 July 2020

Many thanks to all the 202F Lions Clubs who contributed over the past 14 years to the Dialysis Caravan project .

In March prior to the Covid-19 Lock down period the SDHB decommissioned the caravan to be used by dialysis patients. The caravan was then used by the Catlins Medical Centre as an isolation unit/room for the Covid testing of patient, but it is no longer required.

Our directors decided that now is the time to sell the caravan.

The caravan which has new vinyl flooring, been freshly painted inside and out, comes with the water pump and a large storage box at the front, has a TV and DVD player, a comfortable reclining chair and footstool and the caravan is registered and comes with a WOF ready to go. The Owaka Lions Directors have suggested a price of \$7000.

It is set up for an individual to put in their own dialysis machine and filtering system and they can then take their own holiday wherever and whenever they wish.

The Directors wish to give “first option to purchase” the caravan to anyone from the 202F clubs. May be your Lions Club knows or has a connection to someone who would need or want this caravan.

If you have any inquires phone **Lion Alan Burgess 03 4158259** as soon as possible as there already has been some (outside 202F) interest shown.

Thank you so much for your support over the years.

There have been some wonderful letters of appreciation from users/clients who have enjoyed time away from home.

Lion Alan Burgess
Dialysis Caravan

Project Convenor.
03 4158259

1st photo: The large storage box on the front is also included and houses the pump and hoses which are included

2nd photo: Sorry I have no photo of the caravan without the dialysis machine and the filter unit. Theses will not be included with the caravan.

However the reclining chair and foot rest, (not seen in photo) plus TV screen and DVD player and mobile drawer unit are included.

Sorry the characters in the photo are also not included!!!!

"We Serve Because Kindness Matters"

Global membership team Coordinator (gmt)

Jeroen (Jerry) Schuurmans 2nd Vice District Governor

Hello Everyone,

Here is my first message as 2nd VDG and GMT

As spring is now on our doorstep it is also a good time to get motivated and (come up with some new idea's) Inspired in own new lion's year.

We all want the Lion's year to succeed and grow in club members, so it is important that we find new ways to reach our goals

This can be done in various ways;

To get the right information out to club members, which means including every one of your club.

Tell what your committee(s) are doing and were help Is needed, because we all want to contribute. That's is in our lion's nature.

We can also grow our club by asking our family (brother, sisters, sons and daughters) or neighbour to join. They may have been waiting for the moment to be asked, but never have because they are close (to your) family.

You can ask you friend fellow lions to do the asking for you.

We all have to remember why we joined the lions, one of these reasons will apply to you;

Fellowship of the lions (like-minded people)

Give back to your community (we serve)

Be connected with the wider community lions' network, world wide

And for some status

For any a comments or suggestion for this particular subject, please write to me 202F@2vdg@lionsclubs.org, let's put our thinking cap on and put it to action.

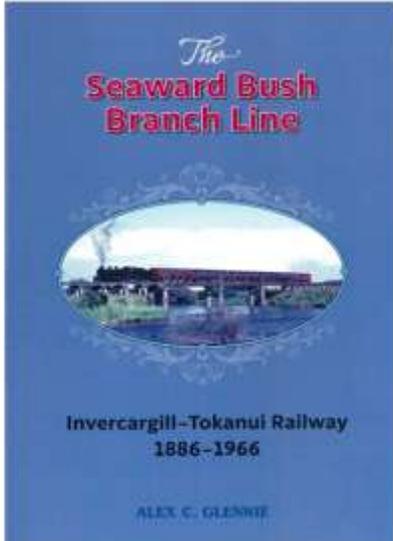

As DG Sue Fluery slogan for the year we serve "**Kindness matters**", in the meantime stay warm.

Particular a busy time for the sheep and dairy farmers for others hope you enjoy what live has to offer.

I will start the end of August with club visits and like to meet as many fellow lions.

See you until than

2nd Vice District Governor Jerry Schuurmans

**THE SEAWARD BUSH BRANCH LINE -
INVERCARGILL- TOKANUI RAILWAY 1886-1966**
by **ALEX GLENNIE**

Toi Tois Tokanui Lions Club along with Alex Glennie are involved in producing this book. Over 280 pages full of colour photographs, documents and printed matter on the history of the railway.

The book launch is Saturday 17 October 2020, 2pm at the Tokanui Hall, if you would like to attend please RSVP by 30th September 2020.

Books will be available to purchase on the day. Pre-orders are being taken \$59.95 + postage & packaging. To place an order or RSVP to the book launch please email toklions@yahoo.com or text 0272135657, please leave your name, address, email address and contact phone number.

"We Serve Because Kindness Matters"

202F Multi- media and Promotion and Public Relations

District Governor Sue Fleury has asked me to be the District Media person.

The position is to help manage the District Facebook and media publications

I encourage Clubs to have their own Social media pages to promote service to the community and communicate with club members. Also, to continue sending to our District Southern Flyer any photos and stories for the 2 x weekly publication. We have the Lion magazine that appears at club meetings as well as online editions, Clubs can also promote their Service in these. If you need any help with promotion please contact me on 202f.media@lionsclubs.org.nz or 0272811803.

District Awards

We have had a challenging time in the past 6 months in many ways. One impact we have had with Covid is on the District awards with many days being cancelled which would have earned club points towards District Awards.

But we will look to the future. Now the Lions year 2019-2020 is finished clubs can start to think about entering the 202F District Community Service award.

This award is for the best Community service project. It matters not, how big or small but the inclusion of as many club members involved in promoting, producing and overall impact of the service project on the community. If clubs service project is chosen as the District Winner, the entry goes onto the Multiple District Ron Usmar for Community Service award to be presented at the Multiple District Convention. The Multiple District also has a Top Service Club award which is newly introduced and GST Allan Fluery has more information on this.

Grassroots Electronic Bulletin award- 2 copies of 2 different months bulletins posted to me by 30th October 2020. Always good if there are links, videos and movement in this award.

Ian Mathieson Bulletin Award- for the hard copy bulletin . Both awards must be informative with Local, National and International news. Interesting articles and preferable some photos. Attractively set out and most of all a good read.

PDG Barbara Sharpe Environmental Photo contest

Get your camera out and send those photos relating to weather, animal life, landscape, and Plant life. Must be from this District area

Quiet Achiever award- Do you have that Lion in your club who works away tirelessly in the background, who keeps different areas of the club working like a well-oiled clock. Then Nominate them for this award. Please send a letter addressed to the District Governor giving their name and why your club thinks they should be recognised.

Closing dates for the above awards is the 30th October 2020

I will be sending out to clubs the information on how to enter the District awards.

Any queries contact

"We Serve Because Kindness Matters"

Fellow Lions and Humanitarians,

On Tuesday, August 4, a massive explosion rocked the city of Beirut, Lebanon. More than 300,000 Lebanese have been displaced from their homes, thousands injured, over 100 confirmed dead, and many more missing.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation.

LCIF is currently partnering with Lions in Lebanon to provide US\$10,000 in immediate relief to children, families, and communities suddenly struggling with everyday needs...struggling to remain safe.

You can help. Your generous donation to **LCIF's disaster relief fund** will help deliver further funds to Lebanese families.

I WANT TO GIVE

<https://www.lionsclubs.org/en/donate>

Thank you for your kindness and for working together with LCIF to rebuild lives.

In friendship,

Gudrun Yngvadottir
LCIF Chairperson

Invercargil I central

August meeting is 'inhouse' with maybe a game or two. Will put my thinking cap on ... watch this space".

A roster is being set up [by Christine] for Daffodil Day at New World South on **28th August**.

September meeting:

* will be a change of venue [to be confirmed]

* club to acknowledge **Kids with Cancer Wiggy Wednesday** [ours will be **Wiggy Tuesday**] with a Club donation. **ALL members invited to wear a WIG or any other hairdo in support of the project.** Children having Chemotherapy have to face the world with no hair and our help/support is needed.

*Catering project 26th September

*Christmas Raffle coming up. Request for Donation towards goods

Wanaka & districts

Members of our biking group reach Hokitika on the West Coast Wilderness

Members hard at work splitting fire wood.
Great fellowship at the end of the day!!

Te anau

The annual hay sale was the first of my duties as President and it was the first I had been too. What a great afternoon it was the weather was great, maybe a little cool but the atmosphere was great. There was a good lot of hay, lucerne and baleage on offer and plenty of farmers to

bid on it so it was a great sale all round. There was also some very large turnips in the competition, never seen them so big. The prizes for the best bales were outstanding thanks to Gary for organising this. Thanks to everyone who helped to organise this event, and thanks to the B.B.Q chefs who were cooking some great looking sausages. The venue was perfect and will be good if this is to be a permanent place to hold it. Tom Roberts made the comment that in 56 years of the Te Anau Lions, Natalie is the first women President.

Toi tois tokanui

We have had 3 fire wood working bees and 1 fencing working bee and catered for Murray O'Connor's funeral with help from Tokanui Home & School ladies. Hospice Quiz Night \$891.30 made up to \$1,000. Baleage Auction \$22,000 - going towards Search & Rescue shed & improving entrance & ramp @ Medical Centre building.

Railway Book – at printers, Subcommittee plan for Launch. Hall booked 17th October, 2pm.

17th August @ Tahakopa with Owaka Club 6.30pm

Thank you for having us
- PDG Dave & Ann

Cromwell Lake Dunstan

Cake was auctioned

We had stopped the sale of our Mother's Day raffle due to COVID, but we have been able to start again. Helen H has taken the tickets around members and businesses and has sold about 800 with some left for sale. It will be drawn on 13th July. The defibrillator – which the club purchased had been at the i-Site until it closed. It was moved that we donate it to St John. Annual donations – things have changed in the community due to COVID so we want suggestions as to where we should donate our money. The local schools and St John were mentioned. We have already given out \$2,250 with \$500 going to the Food Bank.

Te Anau Kepler

Thought the cheese roll making was a success again. Thank you to Lyn for organizing the Manapouri crew and helping both days. Thank you to all our crew. We had quite a good turnout of helpers. Thanks especially to Rex who was Audrey's stand in. He did a sterling job. By the time you read this, our Mid winter Christmas changeover will have been and gone. Hope it is a roaring success and the food is delicious. Look forward to seeing you all soon, and we have a good turnout for our August board meeting as we are not having a tea meeting in August as it is being replaced with our trip to Milford Sound.

"We Serve Because Kindness Matters"

Could be a Interesting Project to do here

Hi Ann,

Thank you for your interest in the yarn wigs. The Lions in California work closely with a non-profit, Magic Yarn Project, based out of Alaska. You can visit their website for more information on patterns and volunteering: <https://themagic yarnproject.com/>

Thank you!
Lara

Lara Lebeck

Marketing & Communication Specialist // LCIF
Lions Clubs International Foundation
+1.630.468.6836 // direct

Based in Palmer, Alaska, The Magic Yarn Project is the original and the largest 501(c)3 nonprofit crafting character wigs for children with cancer. Our mission is to bring magic into the lives of children battling cancer, and to inspire volunteerism to make a difference.

Chemotherapy treatments often leave young scalps too sensitive for traditional wigs. Our yarn wigs are comfy, soft, and warm! Magic Yarn wigs are inspired by beloved Disney characters, and invite children back to the world of imagination and daydreaming. They are beacons of fun, laughter, and play during scary times.

The Story of The Magic Yarn Project

Our Mission: To create magic in the lives of children battling cancer, and to inspire volunteerism to help make a difference.

Not so long ago, two moms started a project to make a few dozen princess yarn wigs for young girls battling cancer. They had no idea that within a few short years, their little service project would blossom into a volunteer-powered movement, reaching tens of thousands of families around the globe.

Chemotherapy treatments leave young scalps too sensitive for traditional wigs, but yarn-wigs are comfy, soft, and warm. Magic yarn wigs are inspired by beloved Disney characters, and invite children back to the world of play and daydreaming. They are a beacon of fun, laughter, and play during a scary time.

Due to the popularity of these wigs, The Magic Yarn Project was born, a 501(c)3 non-profit organization. Since our founding, The Magic Yarn Project has received coverage by hundreds of internet media sources, magazines, and local news stations; shipped tens of thousands of wigs to every state and over 50 countries; and organized over 120,000 hours of volunteer service. And the demand for magic grows daily! Every year, roughly **83,000 young girls**, ages 2-10, are diagnosed with cancer (including over **5,000 in the US**).

Our ever-growing organization is funded solely by donations, and we are entirely volunteer powered. We'd like to invite you to watch our 4-minute video, and see for yourself that magic is something **You** can make: <https://youtu.be/E9wtHskTl2g>.

"We Serve Because Kindness Matters"

Wanaka upper clutha

September club meeting is booked at Hawea Community Centre. Line Dancing . We have 2ndVDG Jerry attending this meeting. So

Jerry you better have your leather soled shoes on. At our August meeting we had Lion Pam Kane giving a talk on the new book, Skirt Tails 2. Very interesting book on the woman around Upper Clutha that have given so much to our District.

Helen Paterson and Emma Macfarlane from The Womans Health Bus Te Waka Wahine Hauora. Lorraine introduced Helen and Emma who spoke about this Health Bus they have started up. Prior to the meeting members had the opportunity to look over the bus.

The club donate \$1000 to the Womans Health Bus Te Waka Wahine Hauora. Visitor Diva Kafle, a Lions Member from Nepal, was presented with our Club Banner. Club members are taking orders for Lily's and Freesias. Also forms are out for Cheese rolls orders.

Club now have 2 Lilliput Libraries up and running around town.

Alexandra dunstan

President Judy being presented with her President's Badge at our Changeover Dinner, by outgoing President Glenys Anderson.

Knitting and more knitting. Members have been busy knitting for various community projects during lock down. Afternoon tea – Wednesday 29th July was at Glenys' home at 2 pm, putting blankets together. Bring knitting needles, sewing needles or crochet hook. It has been suggested we knit slippers for school children to wear while at school. If you want to give it a go, contact Dianne for a pattern that is real easy.

Lawrence

Last meeting Davey suggested a monetary donation to the Lawrence Community Foodbank in lieu of a can drive.

Alison asked that this be adopted and it was then moved and passed to give \$500. Donation to St Johns to cover their refurbishment costs \$2,000.00 Gymkhana yearly donation \$2,000.00. The Ross Lyders memorial cup will be presented at next meeting. This is being contested for by club members and ensures that there is a name on the cup despite Covid 19. President Paul thanked Alison for the work done during Covid. Lions were third call behind the Police and civil defence. Civil defence said thanks to Alison and Jude Paterson, Lawrence was the best set up and organised to deal with Covid in the district. Having zoom meetings every second day and her and her team ringing half of Lawrence to make sure people were OK so I would like to like to say thanks to Alison for that. Peter Cummings was wanting the go ahead to get the printing of the Anniversary book underway. It was agreed the quote for 80 books costing \$1313.60 best option.

Waikiwi

A big thank you to the Waikiwi Lions members and partners who prepared and served the meal and afternoon tea at the Cabinet meeting on the 1st August. It was fantastic, so thank you all again. It is pleasing to note that both Anne and Allan have accepted the offer of becoming a Friend of Waikiwi Lions. Welcome to the ranks. Four members of our Club provided catering services to the first Cabinet meeting for District Governor Sue Fleury. John Warren, Geoff Adamson, Lynne Chamberlain and Bill Obers were present to prepare, set out and serve the soup, hot buns and sausage rolls. Bill then took the partners (both of them) on a tour of the Civic Theatre (backstage and front of house).

Roxburgh & districts

Millers Flat "Seven a Side" 22nd August. Lions to provide caravan and chip van. Approx seven helpers required. To organize available helpers next tea meeting (August). Millers Flat Lion Park. Two tables removed. Need to be concreted back into place. – Lion and Roxburgh Club bulletin (ROAR). Discussion followed. Lion Peter suggested to approach Diane Hall (CODC/Roxburgh) for her availability to help out for the next 3-4 months until a replacement found

Clyde & Districts

The 2 Anne's Both have won 202F District Awards for Bulletins No pressure for the incoming Editor! Our first project is a deluge of citrus fruit from Northland and Kate is in charge. Our August meeting will be a night when YOU can have a say in the projects, speakers, fun times etc for the coming year. For those of you who have not picked which group you wish to be in yet there will be a sheet to fill in on the night.

Clyde & Districts Archives: We need 2 – 3 people who have an interest in collecting, organising and collating our Club history. At least 1 person should have some computer skills.

Alexandra

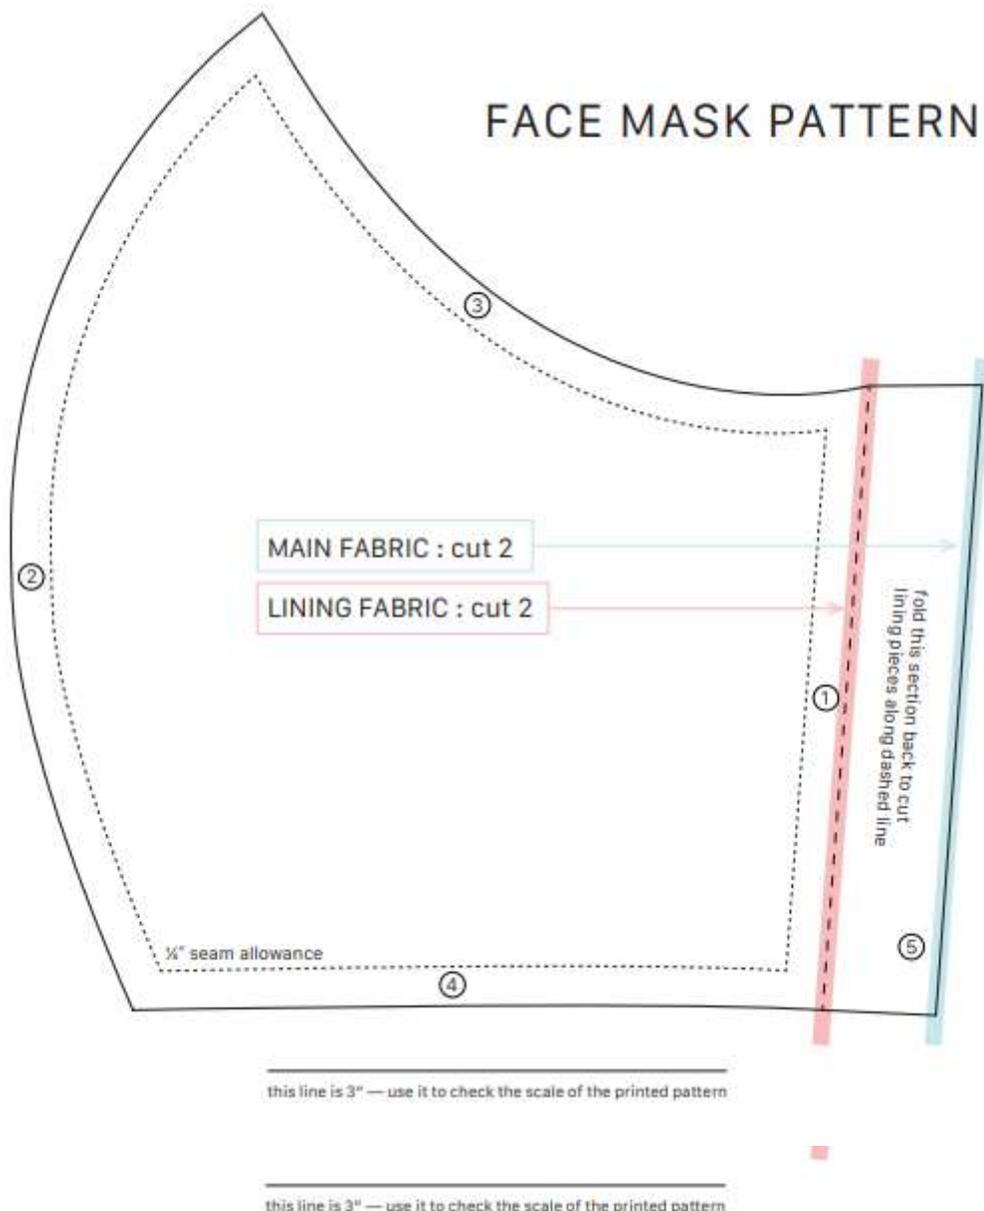

Winter Wednesday Smoko's- These social gatherings have proved to be popular with members over the last few winter months, so we have decided to extend them for a while longer. Those that attend them on a regular basis will discuss whether they have them each week still and maybe alternate between Alexandra one week and Clyde the next, and pick which café they will go to. We are pleased to take on the custodianship of the three entrance signs on the main routes into Alexandra, and have tried to get some publicity to highlight this fact. I have approached the CO News and the Central App and will also talk to Radio Central. Neil C has done some investigating and the batteries which provide the illumination needed to be recharged due to lack of sunshine to the solar panels. Our social evening on 9th August is all go. Movie is at 5pm, dinner at 7; We have entered a float in the Blossom Festival Parade, and in conjunction with the Clyde and Districts Lions have decided on the "Very Hungry Caterpillar" book theme.

Balfour

It was a good year for our Potatoes this year. I would like to thank everyone who turned up to gather and sort. It was great to see Lion members families all come out. All potatoes have been graded and the last few bags are now at Alister's. Ploughing Competitions are all back on track. This will give Balfour Lions another opportunity for catering hopefully in the near future. Fireworks is being organized by Keryn Merchant, currently looking at holding on the 6th November 2020. Paul Eaton showed board for a proposed skate park on the domain in Balfour township. Plans and costing to be confirmed.

"We Serve Because Kindness Matters"

MATERIALS —

- main fabric - at least 8" x 12"
- lining fabric - at least 8" x 12"
- 26" elastic cord or 1/8" wide elastic band

FABRIC NOTES —

- we have learned that sturdy woven cotton is the best fabric to use.
- jersey fabrics have too much space between knit stitches which makes them less effective in filtering germs.
- if using a fabric with any pattern, orient it horizontally.
- masks should be washed and sterilized, so laundering or drying fabric beforehand will prevent shrinkage after they are assembled.

Sewing steps can be found at www.statethelabel.com/pages/masks
Email sales@statethelabel.com if you have any questions! Happy sewing :)

I received this pattern from

**Health Promotion and Policy
Manager | Age Concern New
Zealand Dept.**

Another pattern is also to the email
along with the Southern Flyer. given to

By Clyde & Districts.

"We Serve Because Kindness Matters"

Lumsden

This month we will again have a Sunday Afternoon Tea meeting instead of the Wednesday night Tea Meeting. I have booked us at The Buzz on Diana Street for this Sunday 9th August at 2:30pm. Again we invite partners to attend and make this a social occasion. It is good to be able to support local businesses in this manner.

Jim and I have been updating the "What's On" signs, and trying to work out what additional letters are required and the possibility of regular words to speed up the updating before we ask The Resource Centre Trust to take over the changes

The following photo is the 'What's On' boards being erected.

From left to right -- Lions Stuart Clearwater, Bill Humphries, Niall Keown and Jim Bottcher with Helen Bottcher up the ladder.

Photo taken by Lion Cheryl Clearwater

Queenstown

Motion was put that "We donate \$750 to the Queenstown Ice Hockey Club for their assistance with the "We are Winter" BBQ". Firewood: Lake Hayes firewood

"Done and Dusted". Smith Brewery Contact Chris Dixon: Charlie has had a brief meeting with him, and he is going to come to our next tea Meeting. Chris is keen on "Roaming Neighborhood Gatherings", which he can sort a Liquor License for and we do a BBQ along with other Vendors. We may look at a Kids Party instead. With the likes of Mr Whippy, Face-painting, Bouncy castle, BBQ, etc. This was a suggestion from Chris to the Lions after the Fire that caused the death to 2 children in a Christchurch house fire. The suggestion was that they were going to look at supplying Smoke Detectors with the Baby Boxes that go out. Approx. 30 Baby Boxes are delivered every Month.

Winton

It was good to get projects underway again during July. Mike and Jeff, plus a team of helpers have made a great start on our firewood project. Finally, we have had some logs from the old dump site carted along to where we ring and split them. There is now a large stack of firewood although it is not quite dry enough to use. When the ground dries out more logs will be able to be shifted for processing. So thanks to those members who have helped get this project under way again.

Keep in mind our Borland Lodge working bee and social time on 13 -14 February 2021. This has proved to be a very successful weekend in the past, with some work and plenty of social time.

While we are great at doing what we do, we need new members – younger members, to continue serving our community.

This month tell one person you are a Lion Tell that person what we as Lions do Start a conversation and who knows, you may have found a new member !

Gore Hokonui

Thanks for the great turn out for cheese rolls. What an awesome day! And home early! We have had great feed-back on the newly tweaked recipe. A great success! We have Meals on Wheels from 24-28 August and Daffodil Day on 28th August. Boards will be out at the meeting. This month we have a lovely young lady coming to talk to us about her experience living in Dubai with her family and how it differs from live in NZ. Recently Lion Nola Howden hosted a Host a Roast fund raiser for Ronald McDonald House. Lions members and friends attended and \$230 was raised for this worthy cause. I believe the meal was fantastic well done Nola

"You can't get very far until you start doing something for somebody else"
- Melvin Jones

This month's speaker, local solicitor and member of the Southland Charity Hospital Trust, Chris Menzies.

Support Lions as They Protect Their Communities

In our communities, medical workers and vulnerable citizens are running out of resources to fight COVID-19. With support from LCIF, Lions are able to provide large amounts of equipment such as masks, protective gowns, and ventilators. Help support your fellow Lions!

Don't educate your children to be rich. Educate them to be happy. So when they grow up they will know the value of things, not the price.

Victor Hugo

Kindness is like snow
 It beautifies everything it covers
 Kahlil Gibran

Thank you Clyde & Districts

202f Face book Page

<https://www.facebook.com/Lions202F/>

Cabinet have recently set up a 202F Facebook page for use by all members of the Lions family to promote projects and activities within your Clubs. The link to the page is <https://www.facebook.com/Lions202F/>, so please feel free to 'like' the page, and to post pictures and stories from the goings on in your Clubs. Special thanks to Donald Lamont who provided the disk of photos from Convention in Maniototo for inclusion on the page.
