SEPTEMBER 2019

## DG Kevin's Commentary

A big thank you all those who attended the Presidents' training in Oamaru recently and a big thank you to all club Presidents, Cabinet Members and Lion dignitaries and partners who attended the Presidents' Dinner on the same date. My thanks to PID Tony Hanning for being the MC for the Presidents Dinner & all those who helped organise the training and the Presidents' Dinner. I have had some good positive feedback regarding both. The following day was the first Cabinet meeting and we had a good robust discussion on the direction of our District and the goals we are looking to deliver.

Club visits continue to dominate my schedule and I thank those clubs that have welcomed Glenys and me to their meetings and the manner in which they have made us feel at home. My thanks to Glenys for all her support as together we make a good team and I assure you that I would be struggling without her.

I had a Council of Governors meeting in Palmerston North the weekend of the 17<sup>th</sup>/18<sup>th</sup> of August. As this was our first meeting I was interested to learn how the Multiple District 202 (MD 202) has been tracking and as our current MD 202 Secretary (Mandy Hebben) is leaving us in early September, meeting (hopefully Mandy's replacement), and the plans for the future of MD 202. There was a lot of discussion around the area of falling membership and also at ways of making savings at a National level.

Because of lack of entries the organisers of the Young Speechmaker Contest decided to cancel the event. There were only three entries (even after the

cutoff date for entries was extended) and my apologies to those who did enter. When the National event was cancelled we decided at Cabinet to hold a District one but sadly it was not well supported. I am hopeful that the Young Speechmaker Contest may be reinstated at a National level.

My deepest sympathies to the families, relatives and friends of the Lions who have sadly passed away in recent times. My home club has had two members pass away and we are all feeling the loss. On a brighter note I inducted my youngest son (Nick) as a new member of our club on Monday 12<sup>th</sup> August which fills me with immense pride. Our membership (at time of writing) is back down to 1242 which was our level at the end of the 2017/18 year.

If we continue through "diversity" to make our clubs attractive to prospective members, recruitment of new members and work hard at retaining members we will soon be heading back in the right direction I am certain.

I want to reiterate that if your club needs help then contact me or a Cabinet member. We spoke about helping clubs at our Cabinet meeting and we now have six Guiding Lions in our District so please we are only a phone call/email away.

Yours in Lionism

## Focus on Global Leadership Team (GLT)

---

This is my first year as Global Leadership Team Coordinator. The role is to support clubs, District and Multiple District to grow their leaders and leadership. DG Kevin is committed to giving all Lions as many opportunities to attend training as possible.

It is now time for clubs to be thinking about who is going to be on the Board next year. My role is to assist with training those board members. As part of this I am keen to come to club nights to provide information, generate discussion or meet with Boards. I can guide members through the online training. DG Kevin and the Cabinet are also happy to provide information and advice. This is to support members to increase their understanding and check that their knowledge is up to date.

The District will be hosting training on roles later in the year. There will be two courses held in the District:

- ◆ Stand and Deliver, which increases your knowledge and skills to be a competent presenter
- ◆ Pathways to Leadership, which looks at members' own development.

These courses are a great way to meet other Lions and learn about the organisation.

I am also wanting to support clubs to use MyLion/MyLCI. Currently the District has reported 13 activities serving 848 people. Members who want to get confident with online reporting are welcome to email me at [202j.glt@lionsclubs.org.nz](mailto:202j.glt@lionsclubs.org.nz).

Thanks for taking time to read this.

*Jules Ellis*

## Focus on Global Membership (GMT)

Welcome to the nine new members that have joined Lions in the last two months: Nicholas Bryson, Dalvyn Burrowes, Doug Daly, Therese De Kwant, Phillip Lynch, (trfd) John Pankhurst, Stan Taylor, Lindsay Telfer (trfd) Peter Ward. I am confident you will enjoy the fellowship and being involved in your local community to make a difference.

As the average age of club members increases we also need to look after the members we have; retention should be a priority, fellowship and service in the community are the main reasons members join Lions.

A snap shot of members in a selection of clubs in 202J reveals the average age of members varies from 55 to 80.

It is great to see the Otago Campus Club has 14 young people as members, a positive outcome, which we hope will continue to grow.

There will be more to report over the coming months on the possibility of forming two new clubs in 202J.

It is also a positive move to see two of our smallest clubs taking steps to increase membership; nothing happens if we don't make an effort to pursue all the options.

## 2nd VDG / Media

The new Lions year seems to have kicked off with many clubs doing service projects, fundraising projects and organising club social events (which is always an important part of Lions).

As 2<sup>nd</sup> Vice District Governor I have had the pleasure of visiting Mosgiel and Taieri clubs last week. Both clubs made me feel very welcome and it is good to see both clubs in good heart, planning events for the coming months.

The annual Presidents' dinner was held in Oamaru on Saturday 27<sup>th</sup> July. It was a little disappointing to have only 20 of our 33 Presidents attending. The Presidents' dinner is always held the last weekend of July, so Vice Presidents, pencil it into your diary for next year. It would be great to see more Presidents there.

*PDG John Doggett, Presidents Lynette Doggett (Timaru Suburban) & Deborah Grant (Oamaru Pakeke)*

*GLT coordinator Jules Ellis & Michele Blakemore with Pleasant Point President Lindsay Searle & Nola*

It is a good opportunity to get to know some of the other Presidents, meet your new Cabinet members and find out what jobs they do on Cabinet.

*GMT coordinator Jan Stonyer & Zone 4 chairman Judy Phillips*

Immediate Past District Governor Tony was presented with a Lloyd Morgan award in recognition of his leadership over the past year (and congratulations Tony on celebrating your 80<sup>th</sup> birthday on Sunday 11<sup>th</sup> August).

## 2nd VDG / Media

As part of Media this year I will be sending condolence messages on behalf of DG Kevin to family members of our Lions members that have passed away. There have been 8 since 1<sup>st</sup> July and 12 since our last convention in March. Unfortunately this is a sign of our aging membership.

Can clubs please send me:

- ◆ Information on any of your members that have passed away, so I can send off a letter and card to family, on behalf of DG Kevin and the District.
- ◆ All club bulletins, newspaper clippings and any photos please.
- ◆ Any special awards, or milestones that your club members achieve!!!

## Focus on Zone 5 News

The clubs in this zone have continued to do well, both with membership and with activities. Reports at both the recent zone meeting, and written, have shown positive results.

All the clubs have had successful changeovers and are looking forward to a positive new year.

It is pleasing to report the following:

### ♣ **Dunedin Host:**

A number of donations made both in money and in knitwear and other goods, street collections, pine cone collections and sales, and various social activities have kept the club very active.

### ♣ **Balmacewen:**

This club also been very busy with a continuation of Meals on Wheels, the continuation of their defibrillator and security cabinet project, Penman & firewood sales, raffle, and planning for 2020 convention along with a continuation of social activities.

### ♣ **Toroa:**

Although a small club they continue to support various community groups, hosted a recent CMF Dunedin clinic, prepared appointments for northern clinics, knitted for premature babies and children needing warm clothing, knitted 'Knockers' which included support from a local craft group. And comfort cushions for cancer patients. Hosted four Japanese exchange students.

### ♣ **Port Chalmers and District:**

This club had a successful changeover and is in good heart as it moves into a new lions year. The club continues to support its local community with donations and activities and ongoing projects.

### ♣ **Dunedin Campus:**

With exams and midyear holidays the Campus Club has been involved in their studies but are enthusiastic and willing to support wherever.

## Introducing....

### Zone 5 Chairman

### Jenni Mattingly

### Club: Dunedin Host

I am Jenni Mattingly, current Zone chairman for Zone 5; I am a member of the Dunedin Host Lions Club.

I was born in Port Chalmers, Dunedin, attended Port Chalmers and Green Island Primary Schools, then Kaikorai Valley High School.

I am married to Trevor who is also a member of our club and in his words "he is quite happily retired".

We have two adult children: a son and his wife and two granddaughters aged 14 and 8, who live just five minutes from us in St Clair, Dunedin; the two girls help at our annual garage sale.

Our daughter and her husband, granddaughter age 4 and grandson aged 8 months in contrast live a long way away, in Bath in the UK.

We visit them approximately two yearly, and they visit us annually, and in between regularly FaceTime is a wonderful thing.

I worked for 18 years for the Inland Revenue Department, and then transferred to the Ministry of Social Development 14 years ago, where I am the Integrated Services Coordinator, which involves working with youth aged 18 to 24, to steer them in the right direction, towards study or employment, to enable them to have a better future.

My interests outside of work are family, gardening and travel; whilst writing this we are currently in Bath, enjoying their summer. Next year we are planning to travel to Vietnam.

I joined Lions for opportunity to help others and so far this been an amazing journey, making new friends, helping many people less fortunate than ourselves. Sharing and Caring.

## Presentation of 24/7 Accessible Defibrillator (AED) Cabinets

**O**n 8<sup>th</sup> August a presentation luncheon was hosted by the Balmacewen Lions Club at the Otago Golf Club to mark the occasion of the presentation of Defibrillators (AEDs) 24/7 accessible cabinets to the 14 Dunedin City area Secondary Schools, this being the second stage of this project.

In total some 10 AEDs and 13 x24/7 accessible cabinets have been provided with seven of the schools receiving a St John training package in the use of AEDs for 20 staff/pupils.

This presentation saw the culmination of a two year project being undertaken by the Balmacewen Lions Club in conjunction with St John.

Based on a similar project having been undertaken by the Burgess Hill Lions Club in the UK, an approach was made to the Dunedin Secondary School Principals Association in 2017 to determine which schools would accept the receipt of an AED.

Initially, six schools, Bayfield HS, Kaikorai Valley HS, John McGlashan College, Taieri College, Queens High School and Tokomairiro High School accepted the offer of an AED and supportive training from St John.

*Peter Hills the Co-Principal of Logan Park High School receiving an AED and 24/7 cabinet accompanied by Annette Tiffen, the St John Area Chairman and Aileen Stephen the Dunedin Executive Officer*

## Presentation of 24/7 Accessible Defibrillator (AED) Cabinets

With some \$18,000 raised in 2017/2018 these six schools were presented with an AED along with a training package provided by St John.

A common issue raised by these schools was that of security of these life saving devices when located in public areas. The majority at that stage being located in foyers which are not available after school hours and during school holidays!

Knowledge of the availability of 24/7 secure cabinets that can be opened after a call to 111 and the entry code being made available prompted the Balmacewen Lions Club to further offer the provision of these cabinets to all Secondary schools and a further 4 AEDs to be located in high public use facilities such as Gymnasias, Performing Arts Centres etc.

As a result of the Club's own fundraising and supportive contributions from The Lloyd Morgan Lions Clubs Charitable Trust, The Callis Trust, The Sargood Bequest, The DCC Community Grants, The Otago Trust, The Foodstuffs SI Community Trust and Wenita Forests a total to date of \$45,000 has been raised in order to fund this project and provide 10 AEDs and 13 secure cabinets to the recipient schools. With late requests from two of the 14 schools for a further AED to be positioned in a public place the Balmacewen Club is currently considering fund raising options to achieve this.

To meet these late requests would see the project pass the \$50,000 mark!

# Youth Exchangees

## Roberto Palmier & Davide Avenia from Italy hosted by Hinds & Districts Lions Club

**T**hese two Lions Club exchangees from Italy were hosted by the Hinds Lions Club between the 6th & 20th July 2019 staying with Tom & Fiona Ward for that time.

Tom & Fiona picked the lads up from the airport on the 6th, then on the 7th Fiona took them to Staveley for afternoon tea & later had 20 guests for dinner that night which the boys got involved in.

Monday the 8th saw the boys off to Dunedin with the Ward family returning the same day. Tuesday the 9th the boys along with Robert & Cath Schikker, farmers at Mt Somers, & Tom & Guy Ward all walked into Woolshed Creek Hut at Mt Somers with Cath, Guy & the boys staying overnight in the hut.

Wednesday the 10th saw them walking out & then back to the Ward's at Lake Hood. After this they had a quiet day on the Thursday going to dinner at Ron & Adrienne Ferriman's place.

Friday the 12th Roberto went skiing at Mt Hutt with Tom & Guy. Davide had some university work to catch up on.

Saturday the 13th John & Margaret Shearer took them to Lake Camp where they climbed Mount Sunday & visited a location which was used in the filming of the Lord of the Rings movie.

Sunday & Monday Ron Ferriman & John Shearer took the boys to Lake Tekapo stopping at the Fairlie Pie Shop on the way. Once in Tekapo the boys visited the Church of the Good Shepherd, then they all checked into the Backpackers where they stayed the night. They also visited Twizel & Lake Pukaki before returning to Tekapo where Davide went for a swim in the lake & the boys cooked tea before visiting the new Observatory where they were given a talk about the stars & planets before viewing the planets of Saturn & Pluto. Monday morning was an early rise as they were all going on an Air Safari plane trip around the mountains & Lake Pukaki. Only got to see the south east side of Mt Cook because of cloud.

*L to R: Ron Ferriman, Roberto Palmier, Davide Avenia, John Shearer*

They all returned to Ashburton via the hydro lakes on the Waitaki River.

The 16th Davide visited Hayden Ferriman's dairy farm in the afternoon then both boys were visitors at the Hinds Lions Club tea meeting where they both gave a short talk about themselves & the area they come from.

*Davide (left) giving his short talk*

## Roberto Palmier & Davide Avenia from Italy (cont'd)

On the 17th Ron, Adrienne, Guy Ward & a friend of the Ferriman's took the boys to Akaroa & did a two hour harbour cruise seeing plenty of dolphins & seals. After this they all travelled back to Ashburton & went to the movie The Lion King which the boys really enjoyed. This was followed by dinner at a local restaurant & then all were delivered home feeling rather weary.

On the 18th they had a quiet day & on the 19th Tom & Fiona hosted a dinner at their place for anyone

involved with the boys during their stay in this area. It was a great night with the boys cooking some Italian food for us all. Roberto & Davide flew to Hamilton on the 20th July to stay two weeks with other Lions members in that area.

Roberto & Davide were great to host we all hope to keep in touch with them.

**FOUNDATION**

Nearly every week we hear of a disaster somewhere in the world and if it affects more than 100 people. LCIF have emergency assistance grants of \$US10,000 available to the Lions Club in the affected area to provide for the immediate personal needs of those in need, ie water, food, blankets, medication etc. Disasters worldwide are increasing by 15% each year and for LCIF to be able to continue to provide this support and also to expand our existing areas of focus to include diabetes, child cancer, environment and hunger, “**Campaign 100**” has been established.

The aim of the Campaign is to raise \$US300 million by 2021 enabling Lions to serve 200 plus million people around the world by 2021.

**In the last year LCIF have given:**

For LCIF to continue its humanitarian work around the world **all clubs and individual** Lions are encouraged to make donations to:

**Campaign 100: Lions Empowering Service.**

You can get further information on this Campaign from your LCIF Club Coordinator. As District Coordinator I am available and would like an opportunity to attend one of your Club meetings to share the work of LCIF.
