

Lloyd Morgan Lions Clubs Charitable Trust

June 2019

MEMO

Patron: PCC David Gault

Chairman Comments

As I mentioned in the last edition of the Memo, at the August 2018 meeting of the Trust, we farewelled PID Lucie Armstrong. At this coming August meeting we will be farewelling Mike McBride, another long serving and experienced trustee.

Other changes that will take place at the August meeting are Council Chairman Arvind Raman being replaced by Council Chairman elect Helen Williams, Barry Scott, the 202E district trustee, being replaced by incoming trustee Paul O'Connor and PDG Murray Neilson being added to the Board as an advisory trustee.

Advisory trustees are appointed to the Board to fill roles that require skills that can be utilised by the Trust in specialised positions. There are currently four advisory trustees, PDG Roger Robinson and Ray Hancox who are members of the Finance and Investment Committee with Roger being the chairman, and PDG Robert Miller who is chairman of the Promotions Committee and, as noted, above PDG Murray Neilson who has joined the Grants and Loans Committee.

The composition of the Board from the August meeting will be:

Patron PCC David Gault, Chairman PDG Keith Kenderdine, Past International Director Eric Carter, Council Chairman Helen Williams

District Trustees: 202D PCC Joyce Raven, 202E Paul O'Connor, PCC 202F Graeme Wilson, 202J PCC Graham Edge, 202K Peter Burch, 202L Peter Knox and 202M Richard Maddren.

Advisory Trustees: PCC Brian Watt Administration Officer, 1st VDG Murray Pringle Legal Counsel, PDG Brian Grounds Pin Co-ordinator and PDG Keith Kenderdine Treasurer.

Since the last Memo, I have attended the formal presentation of two emergency water tanks at Norsewood. Norsewood is largely comprised of wooden buildings and a locally located water supply for fire fighting is a very high priority project, the school pool not always being available. The tanks are filled from the runoff from a large building the owner of which has agreed to allow the water to be collected.

The number of grants/loans paid out this financial year looks to be quite low when compared with previous years. The amount paid out in 2016 and 2017 when centennial projects were being pursued was \$246,830 in 2016 and \$234,518 in 2017. 2018 saw the amount paid out dropping to \$141,933 and this year the total looks like about \$100,000. The effect of the drop is that the funds available for grants are accumulating despite the low interest rates currently being earned on the Trust funds.

The Board remains very appreciative of the support that the Trust receives from the Clubs. The funds provided to the Trust via recognitions/bequests has remained at the level close to previous years and this does mean that income from interest can be earned from a higher Capital Fund. The income from the investment of the Capital Fund is placed into the Income Fund from which grant/loans are then made. There is a "Guide to the Trust" available on our website which is <http://members.lionsclubs.org.nz/Clubs/Lloyd-Morgan>

Keith Kenderdine

Helping Kidz First Children's Hospital Emergency Department Rebuild

In August 2017 Lions were approached to help with the re-development of the Kidz First Emergency Department at Middlemore Hospital in South Auckland.

The Kidz First Hospital was built in 2000 and at that stage about 19,000 children a year were looked after and by 2017 this number had increased by 37% to about 26,000.

The catchment area of the hospital includes the areas covered by Zones 7 & 8 of District 202K and it was suggested that an inter-Zone project be run to provide the help needed.

Re-development plans were examined and it was identified that the funding of two dedicated assessment bays at a cost of about \$30,000 would be an achievable target for the Clubs in the two Zones to raise.

PDG Christine Ford was appointed as the Project Convenor and she requested her Club of Bucklands Beach to accept the role of Managing Club. The Clubs in the two Zones were approached and they willingly took up the challenge with each Club organising their own fundraising activities. In addition we were donated 500 polar fleece blankets which we could sell at \$10 each.

Over the following twelve months Clubs progressively sent in their contributions totalling nearly \$17,000. The 500 blankets were sold widely across the whole District raising a further \$5,000 and a Grant of \$10,000 was received from the **Lloyd Morgan Lions Clubs Charitable Trust**.

In all \$31,857 was raised and on 27th September representatives from contributing Clubs gathered at the Kidz First Hospital for the presentation of our cheque.

At date Stage 1 of the re-development is complete and we were able to undertake a tour of the new areas and to see the huge improvements in the facilities. Our two rooms are in Stage 2 and these will be completed by December this year.

We thankfully acknowledge the Lions Clubs of Auckland Chinese, Auckland Host Tamaki, Bombay, Bucklands Beach, Clevedon, Howick, Onehunga Ellerslie, Pakuranga Panmure, Papatoetoe, Pukekohe, Remuera, Tokoroa, Tuakau & Waiuku, & Papakura Lioness for their support and ***The Lloyd Morgan Lions Clubs Charitable Trust*** for its' generous Grant.

We also acknowledge the help we received from David Kemeys, previous PRO for Middlemore Foundation.

M Community works together for Water Tank Project

If there was a fire in Norsewood, there was no reliable water reservoir for fire fighting as the Norsewood as the school pool isn't always full year round.

In late 2016, Norsewood Fire Chief Terence Ahern approached PDG Simon Domper of Norsewood Lions Club with a problem and a solution that he needed help with.

2 tanks filled with rainwater from off the roof of a recently erected building would resolve the shortage of a stored water source and easily accessible.

Robert Hullah, the owner of the building agreed to give the rights to the Norsewood Volunteer Fire Brigade for the water and the site to place the water tanks .

Norsewood Lions Club had a membership of 19. The population of Norsewood village is around 320 and therefore fundraising opportunities are limited. Norsewood Lions Club asked

Lloyd Morgan Lions Clubs Charitable Trust for \$5,000.

Cash was also contributed by Norsewood Lions Club and Norsewood Volunteer Fire Brigade. The total project cost was approximately \$15,000.

2 years later we have 60,000 litres of stored water which is ready for if it is needed.

The community water tanker takes 10 minutes to fill, and there is capacity to keep refilling it.

Norsewood Lions Club acknowledge and thank the following for their help in preparing the site:

- Wayne Montgomery for the digger work,
- Bruce Hunt of BLH Contracting for the pea metal,
- Graham Bury for advice and installation of fittings,
- Tararua District Council for supplying coupling and preparing the area to park the water tanker.

Taken at official hand-over on 27 May 2019 [front row L-R] PDG Simon Domper (Norsewood Lions Club), PDG Keith Kenderdine (**Lloyd Morgan Lions Clubs Charitable Trust**), DG Marianna Domper (Norsewood Lions Club), Terence Ahern (Norsewood Fire Chief), Allan Benbow (Deputy Mayor Tararua District). Surrounded by members of Norsewood Lions Club.

Taken on-site at Norway Day celebrations on 19 May 2019

[L-R] Terence Ahern (Norsewood Fire Chief), PDG Simon Domper (Norsewood Lions Club), Stuart Cordell (Norsewood Lions Club), Tracey Collis (Mayor Tararua District), Stuart Radcliffe (Norsewood Fire Brigade), Sarena Montgomery (Norsewood Fire Brigade), Allan Benbow (Deputy Mayor Tararua District).

Heartfelt thanks to everyone who worked together and supported the Norsewood community to achieve the water tank project.

CLUB RECOGNITION

Has your Club Secretary received this yellow form for the 2018 - 2019

LMLCCT Club Recognition?

Contact your District Trustee (List on Last Page) to enquire about your Club Recognition and how your Club can get the Recognition decal.

WHAT DOES YOUR CLUB GET IN RETURN

- A current year decal showing the year that can be put on your Club Banner
- The opportunity to apply for a financial grant from the Trust to assist a current Club project.
- The knowledge your contribution is going to the Capital Fund from which the interest earned supports Grant Applications.

PALMERSTON NORTH

THANK YOU – If your Club has already donated please disregard this notice

Your Clubs contribution of \$10.00 per member is one of the few ways the Trust is able to increase the Capital Fund.

Note: This Capital Fund is never spent.

If your Club is one of the few who to date have sent their “Club Recognition” please accept the Trust’s

THANK YOU

K

Kowhai Coast Lions Club over the course of 3 years and with a grant from the **Lloyd Morgan Lions Clubs Charitable Trust** were able to make a donation of \$27,000 to the Kawau Volunteer Coastguard.

This was achieved by the Clubs project "Tremendous Xmas Tree Display" and with help from the Coastguard volunteers who sold raffle tickets.

This week Club Members were able to see what their hard work had managed to achieve when we were shown the new electronics on the rescue craft that were greatly in need of refurbishment.

The Kowhai Coast Lions Club are very proud to have been able to help and acknowledge our member the late Sue Bateman who had so much input into this project.
