Lions Clubs International District 202F

We Serve

DG Dave Saunders

Welcome fellow lions to DG Dave's fortnightly blog.

I have just come back from the NZ Council of Governors meeting. On the agenda was a discussion paper on membership growth throughout the seven NZ districts. The 202F and L districts were the only two that had positive membership growth for the year to date.

There is a great concern held by all the NZ Governors about our National Membership, which has dropped considerably in recent years, we are just under 9100 members currently.

In 2015/16 we had a Lions force of just under 16,000 members strong.

A big thank you to our 202F clubs for maintaining, or increasing their membership. Please keep up the good work. (There still is a need for us all to keep up regular recruitment drives as this will promote stronger healthier clubs).

Last weekend I attended the 202kK Convention in Taipa which was in the far north (about 2hrs north of Whangarei). The convention was well attended and well run, a great time and a lot fun was had by all.

A big reminder please keep those unwanted eye glasses coming in, and also those coins for the Heads Up For Kids Campaign.

We will be having our District cabinet meeting this month in Tokanui, I am sure there will be a lot of positive discussion and debate by all the cabinet members. Just recently our district sent two of our members Derek Wardell (Zone one chair) and Jerone Schuurmans (zone 6 chair) to the Advanced Lions Leadership Institute (ALLI) in Christchurch. This is a course run in New Zealand and Australia on a yearly basis. This course is for the promotion and advancement of our future 202F Lions leaders. It is also a requirement for all District Governors and possible future DG's to attend these seminars.

Absolutely Fabulous Entertainment Put on by these Kola Dancers

Borrowed from the Riverton bulletin

In ancient times, a King had a boulder placed on a roadway. He then hid himself and watched to see if anyone would move the boulder out of the way. Some of the king's wealthiest merchants and courtiers came by and simply walked around it. Many people loudly blamed the King for not keeping the roads clear, but none of them did anything about getting the stone out of the way. A peasant then came along carrying a load of vegetables. Upon approaching the boulder, the peasant laid down his burden and tried to push the stone out of the road. After much pushing and straining, he finally succeeded.

After the peasant went back to pick up his vegetables, he noticed a purse lying in the road where the boulder had been. The purse contained many gold coins and a note from the King explaining that the gold was for the person who removed the boulder from the roadway.

Moral of the story:
Every obstacle we come across in life gives us an **opportunity to improve our circumstances**, and whilst the lazy complain, the others are creating opportunities through their kind hearts, generosity, and willingness to get things done.

TAONGA FROM THE TREASURER

I have been requested to include a small article for your District bulletin, to which I readily agreed.

Firstly, a big thanks to all of you who attended the recent roadshow to your District. I hope you learnt something new and please keep those questions coming.

This article deals with LCI funds. Did you know that no dollars from your International dues actually go to the United States?

Yes – that is actually true.

LCI have a US\$ denominated bank account via Westpac for both LCI and LCIF, it is held in New Zealand. Not a single dollar from this goes to the US.

A common question is what are the funds used for?

LCI (Dues)

This covers the cost of Governor and LCI roles such as those for the Global Service Team. Primarily, it is used for training and development of NZ Lions and ultimately you as members should benefit from this.

LCIF

These funds are used for LCI funded projects in New Zealand and can range from assistance to our Pacific neighbours to large donations to assist the Christchurch region earthquakes.

So, the next time someone tells you that your Lions dues and donations to LCIF do not go to the US, I assure you that's true.

HAVE A GREAT SOUTHLAND SPRING.

We Can Reach 1 Million

World Diabetes Day is on November 14, which means we still have time to reach our goal of screening one million people.

Please watch this special message of encouragement from International President Dr. Jung-Yul Choi. Then go *Make Your Mark* by taking the online risk assessment, sharing your success on social media and encouraging family and friends to do the same!

SYMPTOMS OF TYPE 1 DIABETES:

- Thirst
- Passing more urine than usual
- Weight loss
- Very tired
- Mood changes

You may also have the following:

- Abdominal pain, nausea, vomiting
- Skin infections, thrush
- Extreme hunger
- Poor concentration and performance

DIAGNOSIS AND TREATMENT:

Diabetes is diagnosed by blood tests which can be organised through your doctor. If you are very unwell, you should seek medical assistance immediately.

If you have Type 1 diabetes, you will need to manage your blood glucose levels with insulin.

Healthy eating and physical activity will also help you stay well.

REPORT ON THE ROAD SHOW

Road Show, a big thankyou to our District Secretary for helping me by getting the information out to all the clubs and the Zone chairpersons for following up with the clubs for numbers to attend, Thank you all for your responses and emails.

The weekend of the Road show started for me on Friday night at 9:40pm at Invercargill picking Steve Bennett up, to bring him back to our place for some southern Lions hospitably which we enjoyed his company for the whole weekend.

Saturday began at 7am travelling to Cromwell, what fantastic weather that we had as well as a great road show it was fill of Information conducted by Steve and he answered many questions.

It was a little sad to say my ogrinal numbers were changed for how many were attending for catering and it is going to cost the cabinet \$150 which is a cost that I was trying to avoid there would have been \$45 to pay by three not attending I had the number of 13 participants but it was changed to 20 what a waste of a lovely Lunch. In the end we had 10 participants enjoy the day.

Sunday once again lovely weather outside, while inside a little cloudy, with a few hiccups with finding the right cord for the projector but at last we were all go.

Everybody had lots of questions for Steve to answer about the running of Lions clubs for the Treasures. Steve answered all of the questions that were asked of him some were curly ones which he took on and he gave answers to them all, there was a lot of knowledge coming from around the room by all Lions that were present, 40 Lions attended this session of the Road Show at Gore we say a big thank you to the RSA for a lovely cuppa and Lunch as well as a big Thank you to Steve Bennett for the Road Show.

I would like to wish you all a Merry Christmas and a Happy New Year to all of the Lions Families enjoy the break I know that I am looking forward to one.

Keep an eye out for the dates for the up and coming Development Days for the incoming office bearers please let me know if there is anything that you want to be either taken out of the day or added so that I have plenty of time to pass it on.

 and have requested to be billeted again in the community.
 Apparently this night billeted in the community is a
 highlight of the trip. There is a list of 50 (11 females, 39
 males) students to be billeted, the adults will stay at

Mt Linton Station.

November meeting was a Race Day in the NZ Spring Racing Carnival's calendar Its the "Albert Town Filly Fling".
 Youth Director and President attended the MAC senior prize giving to present two students with our Borland Lodge Outdoor Pursuits Scholarships. A great way for Lions to promote our youth. A club team has been entered in the Zone Challenge on Nov 10th at Lowburn. Xmas cakes: We are off to a great start with sales of the cakes –so far we have received orders for around 80 cakes.
 Marj Morrish was presented with a Silver Centennial badge earned at October meeting for introducing new members to our club.
 Lilliput Library – The Mens Lions have made one which Lorraine had brought along for members to see. This will now be painted by Brenda and put at one of our sites. We have 4 sites – Meadowstone, Peninsula Bay, Albert Town and Luggate Park.

Gore Pakeke

At the November tea meeting we will not have The Governess, tipping discs or a hot seat but we will have some quiz fun. No money to be earned either but come and enjoy. On a more serious note-the recycling part of our organisation is not making us the money that it has done in the past. The world market is dictating prices at present and hopefully that will change and in 2020 we will see a better return for the work that our members do.

Looking forward to the season of good cheer, the final meeting for the year will be the usual party at the Recycling Building and it will be on the Friday night, December 6th.

INDUCTION OF NEW MEMBER: 2nd VDG Pam Fiveash inducted Lesley Quertier as a new member and welcomed her to Lions.

← A blonde quickly went out to her mailbox, looked in it, closed the lid of the box, and went back in to the house.

A few minutes later she repeated the process again, checking the mailbox for mail. She did this another five times, but still the mailbox was empty.

The neighbour commented "You must be expecting some very important mail today, the number of times you've checked the mailbox"

The blonde replied, "No, not really, but my computer keeps telling me that I have mail".

Wanaka Leos

A big thank you to Eva and Mahya who sorted coins on Monday and then today Helene, Angelique and Sienna finished the sorting, bagged and labelled ready to send to the "Head Up for kids" office in Lower Hutt for the next process. A total of 6 hours spent on the job. A total of 16.55 kgs.

Alexandra Dunstan

Great news from Arthritis NZ. We raised in excess of \$600 during our appeal day collection at New World.

4 November – Tea Meeting at The Stadium 2VDG visit. We have been talking about a potential future sale of linens, sewing things, bric-a-brac, etc., early in 2020. Members are asked to think about who could be the beneficiary of funds raised; and to look around for potential sale items. Also we need a catchy name for the event – have a think about it.

Cromwell Lake Dunstan

4 members had an impromptu day working with the men's club at Highlands recently, when Cromwell Lions were suddenly asked to get another food caravan going. After some quick phone calls, we were able to drop our Saturday plans and serve at their counters selling burgers and chips. It's a busy but enjoyable way to spend a few hours, and the eftpos machine turns out to be really easy to operate!

Our guest speaker Janeen Wood who updated us on the progress of the Cycle Trails and how they are being linked to-gether. Aim is to keep tourists in the area for 14 nights. Two Inductions were done at the October meeting.

Mints-Club has another venue for mints, 14 outlets to date. Christmas Hamper Raffle is under way. Tickets printed and handed out. Helen H and Heather Third are the Convenors. Items for raffle to be bought to the next Tea Meeting. Two prizes this year, 2nd prize a Christmas Teddy Bear. Both prizes will also have a Lions Christ-mas Cake included.

Help required at the Cromwell Christmas Races again this year.

Reminder about community Christmas luncheon Fri 6th Dec now due to prior booking. Remember about the cake stall on the 25th this month. Please think about items for the grocery and Men's work shop hampers. The supper for the Men's Health night which was a huge success. VDG Sue Fleury visiting Nov meeting. President Paul congratulated Russell on 45yrs since joining Lions (41yrs % attendance) and 16yrs as Fire Chief for Waitahuna Fire brigade.

Suggest a family day at Waitahuna water front with games for adults and kids, BBQ. Alternative venue for bad weather Waitahuna swimming pool. Date for everyone to consider and confirm at Nov meeting are 17th, 24th Nov and 1st Dec. All are Sundays.

The golf club has been booked for our annual social fun day Ambrose Sunday 29th March 2020

Waihopai City

On Sunday 20th October 202F Waihopai City Lions Club ran a novel fundraiser for CMF. Cars Paid \$10 for details and a map and set off from Invercargill and viewed about 7-8 paddocks of beautiful tulips which are grown commercially around Southland with most being in the Edendale area. Those who took part thoroughly enjoyed the afternoon. A small sum was made for CMF. The Tulip Cruise went well on 20th October but the attendance was disappointing.

Treasurer's Workshop, 3rd Nov. Wendy, Graeme, Graham and Rodger attended this very informative day in Gore and learnt a fair bit about looking after our club funds. It was well attended and I think all those that were there found it good information.

Henry being welcomed into our club by DG Dave Saunders, 17/11/2019.

Please bring your ideas etc for the Christmas Tree Project. Helpers needed...Brent is making up the roster.

The marshalling and food van at the recent Parents Centre Duck Race was good for our exposure in the community, and the dinner provided to the Christian Camp at Brassknocker Road is really appreciated by them.

We have been invited to attend a morning session at the Riding for the Disabled this Thursday 7th from 9.30am. This is part of their appreciation for the funding we have provided for the upkeep of the horses. This is near the entrance to the Alexandra Golf Club.

We have arranged to again provide a Christmas dinner for the Senior Citizens Club, which will be held at the Earnsclough Hall, Sunday 15th Dec. This is done in appreciation for the use of the rooms for our meetings, and for the excellent meals we get throughout the year. The 4wd tour that was planned for January this year will be done early next year. This is along the Ruggedy's from Little Valley to Roxburgh via Speargrass Lake. We are to get details to the "Central App" as soon as we can.

The annual Duck Race took place on the Manuherikia River on Sat 2nd November, run by the Alexandra Parents Centre. As they did last year, the Parents Centre asked the Lions Club to help out as safety marshals along the river bank track and have our food caravan there with hot dogs and chips.

Ducks getting close to the finish line

Otautau

Clare been talking to Stephan from Windsor Wines (see email) and decided to go with the idea and set a date 21st March 2020. Stephan to organise winemakers/brewers and wines & beers Club to set menu and prepare/cook meal 100-120 guests,

The senior citizens luncheon is coming up soon and thanks to Gordon, we have all the preparations well underway. Christmas carols at the resthome are quietly being organised in the background and hopefully we will get more details soon about the event. Finally the christmas end of year function is being held at the Beach House restaurant in Riverton in early December.

The Otautau Christmas street event is nearing.

Lawrence

On the 4th Nov VDG Sue Fleury and husband Alan visited Lawrence Lions Club's meeting and it was an honor to have Sue conduct the induction ceremony for our 4 new members. A very special part of the night was President Paul handing over the blue Jacket that belonged to Nigel's late Grandfather Gerald Geddes, a long time member of Lawrence Lions and past DG.

Those inducted were, left to right Keily Smith, Nigel Homer, Sarah Murray and Libby Hindmarsh with VDG Sue.

And Sue and Paul exchanging banners.

Many thanks,

Te Anau Kepler

Our team has been busy again this past month with catering – a Wedding after party and cheese boards for the wedding, a funeral and Steptoe auction catering. A big ‘thank you’ to all the members that have been able to help with projects this past month.

BBQ Christmas party with the Te Anau Lions Club and DG Dave Saunders at the Bowling club on the 12th Dec.

Steptoe auction lunch for the Lion helpers (pea, pie and pud) was well received. Thank you to Audrey for your organising of it and to Lyn for your help.

Congratulations to the organizers of the Health Night. Checks for Blood Sugar, Blood Pressure and skin spot checks. Our thanks must go also to the 2 nurses and 1 doctor who volunteered their time. .

It is wonderful that we are once again presenting a Certificate to a deserving pupil from Dunstan High School for Borland Lodge for next year. This is a great gift.

Koromiko Corner -After two false starts because of the inclement Spring weather we will schedule another working bee to clear the weeds around the plants at Koromiko Corner on Tues 19th Nov at 5pm. Thereafter we will have regular working bees on the 3rd Tues of each month at 5pm.

Please bring your garden tools, garden gloves and a bucket could be handy.

Gore Hokonui

Truffles orders had to be in by the 13th November. Some members have taken home wool and will be knitting Cot Blankets for

Starship Hospital. We are making truffles at St. Peters on **Saturday 23rd.** We are going back to our original recipe with the marshmallows. Cake Stall we are having at St. Andrews on **Saturday 14th December** please support this and drop off cakes etc at St. Andrews Church Hall Devon Street by 9.30am at the latest. Also in December (**Sunday 15th**) we are catering for the Senior Citizens staff Christmas Meal at their Club Rooms. We have decided to purchase all the goods necessary for this but will need helpers to make salads, decorate desserts and help on the day/evening.

Maniototo

A reasonably busy month for the Lions. The Bar-B-Que for the memorial service, and then another Bar-B-Que for the big turnout of camper-vans at Labour Weekend and then the School sports last Friday. I thank the Lion Members who helped with each of those events. Our Steptoe sale will be held on Friday 8th of November. Our guest speakers were James and Jayne Hazlett at the November meeting and were talking about the crash rescue part of the Fire Brigade life. GUEST SPEAKER at the October meeting was Trevor Lawrence who spoke on his experiences working for Contact Energy at the Clyde Dam. LCIF – S G moved we give \$1000.00 to LCIF as we missed last year. This amount being \$10 per member for two years

Gore River Valley

At our October board meeting we inducted Jenny Katon to River Valley. It is not our usual method of induction but as Jenny is studying on a Monday night, we thought it the best way to join here. Jenny has been to a couple of meetings and helped with a few projects. Thank you to everyone that helped, baked and sold raffles for Child Mobility. Great effort by the whole club - \$2095 for Lions Child Mobility. Toot for Tucker next big project December 5th.

Kind Regards Anne Miller It was very successful having the tent at the Rhododendron Day. I got a lot of positive feedback from the public. Toot for Tucker next big project December 5th. There are 10 members off to join Balclutha Lions on Monday 4th Nov, for meeting and meal so will be nice to mix and mingle and see how a new club is doing. Also, Toi Toi lions are having a Get Together Social time meal and meeting on the 18th Nov start 6:30pm. At Gorge Road Country Club

Just imagine if every Lion, 1.4 million,

so bring a friend to the next tea meeting

Te Anau

Welcome into November. I would like to thank all the members for their efforts at the Flower Show and at the Steptoe Auction, well done. The Steptoe was a success but needs a bit more tweaking to get it right. Congratulations to Tom Roberts for 55 years service to Lions.

Our next projects will be the Kepler Challenge and manning the gates at the Rodeo. Fiordland Hockey Club, thanked us for our support with recent donation. 5th October 1964 Te Anau Lions chartered, it is the 5th oldest in 202F. Tom Roberts has been in Lions for 55 years. November meeting the Vice District Governor Sue, would like to talk to us about the Convention.

Auction, a few things coming in, some good gear available. Note paper circulated for helpers. Stewart about the tree planting, a 20% discount on trees, \$994.00 spent. December Xmas meeting is a combined one with Te Anau Kepler Lions on the 12th December.

Riverton

- Projects for later in year: Duck race, cemetery clean up, house demolitions, (Wilson Ronald's on 30th November).
- Teardrop sign has arrived, pole is a bit short, being sorted.
- Books and Baking stall raised \$616. A great effort from all who helped, special thanks to Craig and Veronica for the use of Camp Longwood.
- Christmas Gourmet Raffle. Items to be bought to tea meeting please.

- Moved that the proceeds raised from the Festive Food and Flowers night be split between Ti-Hikoi and the Riverton Swimming Pool.
- Relay for Life fundraiser to be a community dinner, Lions support required.

the first event this month has been completed. The Moto X at Ryan road kept many of our members busy with parking duties and providing security. Unfortunately, the weather didn't play ball and the forecast for next Sunday's Winton Open Day is not looking a hell of a lot better either. This month our members can look forward to Bailley Unahi as our guest speaker. Many of you know or know off Bailley and as a Club we have been fortunate to be able to assist Bailley with the purchase of a snow ski, an amazing piece of equipment, Bailley does even more amazing things with. Lions Clubs International Foundation Campaign 100 eNewsletter

From Past International President and Campaign 100 Chairperson Dr. Jitsuhiro Yamada

Donations directly impact LCIF's capacity to award grants empowering our service. Each and every donation is another step toward our *true* goal: serving more people in need worldwide. Campaign fundraising has passed US\$127,500,000. Reaching key milestones is critical to achieving our goal. Please continue to share the importance of Campaign 100, encourage others to support the campaign, and set new goals for this year — perhaps encouraging more Model Club participation or holding an additional fundraiser for LCIF.

Thank you for doing your part to inspire participation in Campaign 100 and increasing *your* foundation's ability to fund life-altering grants.

District and Club Community Impact Grants (DCGs)

The name of this unique grant program says it all! This new program enables clubs and districts to secure LCIF funding to create even more change in their communities. Since qualification to apply is based on funds donated to LCIF, Model Clubs — historically effective at fundraising — may be eligible to apply for a DCG grant already or are well on their way! Learn about the quick and easy application process, and more, from our new video.

Expanding Our Causes and Grant Opportunities

Every two minutes a child is diagnosed with cancer, and each night 800 million+ people go to bed hungry. Campaign 100 has expanded our global causes to include childhood cancer and hunger, empowering Lions to make important progress in these areas. Childhood Cancer and Hunger Pilot grant opportunities are now available. Do you know about these grants? Do Lions in your clubs?
