202L Noozletta

Kia Ora, Greetings fellow Lions,

It's officially Springtime, we have been planting bulbs and they are starting to show now so I'm looking forward to seeing them out soon. And its so lovely to see all the daffodils in the parks, especially around where I live in Matamata. And the weather will start to warm up soon, we hope!

Thank you to everyone who went out and supported the Cancer Society Daffodil Day. The weather was not very nice but its heart-warming to know that Lions can help whenever we are needed.

Its Childhood Cancer Awareness month in September, so wear a wig to your meetings, make it a fun night for the best wig and raise some money for the cancer society.

Father's Day has been and gone, but belated Happy Father's day to all the dads and grandads.

Congratulations to the Te Awamutu Rosetown club, celebrating 30 years of service to their community and surrounds. Well done!

Also, congratulations to the Raglan Lions Club, they are celebrating 50 years of service!! The celebrations were held at the Raglan Surf Life Saving Club with a wonderful lunch and great fellowship. Two charter members were able to attend, and they reminisced about the history of the club. A very relaxed day and lots of fun. Well done, Raglan, in achieving this wonderful milestone!

Both communities have been served well by these clubs over the years. Awesome!

On to other stuff -- Can I remind you all to read "Between the Lions".
There are some great articles in this monthly bulletin which is sent out by
Lions NZ Head Office. If you are not receiving this, please contact your
secretary for a copy.

Further on in this bulletin, there will be articles on Leadership and any
courses that you can attend. And, I urge you all to have succession
plans in place for your future club officers.

Until next time
kia pai stay well
Helen

Thank you to the following Lions Clubs who have sent in their
Bulletins with achievements, activities and awards - I have used
some of your events to share - much appreciated and thank you
to. you all.

This is a new Bulletin platform called MailChimp. It is Interactive
and you will find that you can click on the email links, and web
links and be taken directly to wee videos etc.
It also has the ability to monitor and manage who has, and who
has not opened , read and forwarded the Noozletta.

**PLEASE REMEMBER TO FORWARD THE NOOZLETTA
TO ALL OF YOUR CLUB MEMBERS**

Latest Induction

Welcome to Radar(Paul) O'Reilly & John Kemp, our two newest members who are both off to
a flying start, assisting with Slinks & attending their 1st business meeting. Thanks to their
sponsors Pete O'R & Steve for their encouragement & leading the way.

Radar O'Reilly

John Kemp

Above - New members at Hinuera - Te Poi Lions ! Yeeehhaaaaa !

Welcome Jane

At our last dinner meeting we welcomed Jane Clark as our newest member of Lions Club of Waihi.

DG Helen Heywood inducted her and her sponsor is Margaret Atger.

WELL DONE ROSE TOWN

ROSETOWN Lions who welcomed member Karen Torr in September 2020 (sponsor Glenice Troth)

Congratulations to the recipients of 100% Attendance Tabs at our August Dinner meeting-

5 years Nellie Harris

9 years Glenice Troth

19 years Maureen Brain

30 years Jenny Elers

Lion's Clubs International have recognised member Trish Anderson with a 10 year Chevron Award.

Waihi Lions have nailed the Leo Lion thing !!

WOW - Just look at this!

There must be something in the water in Waihi !!

Leo NEWS

Since our last Bulletin, we've had three Leo meetings, and the club is going very well! We have 17 enrolled members, with 6 more to be enrolled at our next meeting. We have members from Years 8, 9, 10, 11, 12 and 13, good succession planning, a great President (Meg Thomas), Vice President (Sabine Rush) and Secretary Divvyash Swamy and a lovely, motivated team. I was delighted my daughter asked to join - the third Leo in our family!

The Leos will work on ideas of their own at school - on Monday 29th we had a meeting with Mrs Fitzgerald at College to discuss helping Tina Wright. We're going to meet the first Monday of every month to breakdown and bag up dry food goods, like pasta, rice, flour and sugar. They'll be placed in jars, and delivered to Tina so that she can place them on her stall. This will be a huge help to Tina, and she's very grateful for the support. The Leos will also meet at school at other times to breakdown and bag up other food items at College for the stall through Mrs Fitzgerald.

Leos will be helping with the Garden Ramble and Santa Parade, amongst other things. I've also asked them to help at our market days with setting up and packing down. We have a closed FB group, and the President will remind Leos monthly. I've asked Divvy - our Club Secretary, to provide a write-up for the Bulletin each month so you can hear from our Leos first-hand!

We need your help! Do you have any old glass jars and bread bags? If so, could you save them for me (preferably clean and with the labels off) We'll use these at College for our food-bagging project. Our Leos will also run a mufti-day at College for Tina's Christmas Hamper drive (for 80 families in our area needing support). Instead of a gold coin, we're asking people

to donate cans of fruit, packets of Jelly or mousses (if they can). If you would also like to contribute please could you bring them to the next Lions Dinner for me - this will be our Leo Club contribution towards the hampers.

- Anne Marie, Leo Club Advisor

From Divvy - our Leo Club Secretary ☺

The Leos Club for 2022 is up and running and this year we have lots of events taking place! Within the last few weeks, we've had multiple Leos being inducted, the team growing more and more. Daffodil day landed on the 26th of August this year and the Leos managed to raise a generous amount of money for New Zealand's Cancer Society! We ran a whole school mufti day and a bake sale that was run at lunch time, students and teachers brought in delicious baking to help support the cause. With the Keep Waihi Beautiful Clean up coming up soon, the Leos are excited to get in behind the community and get this event up and rolling again!

Leo News

For those of you interested in forming or assisting a Leos Club online training is available.

LAP THE MAP FOR DIABETES NOVEMBER 2022

Diabetes

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention.

Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km)?

Lions Clubs across the country are encouraged to host family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Clubs can check out ideas and resources from the link below which are being progressively updated.

Membership Matters

We've talked a lot in the last 12 months about Project Vital, but how does this relate back to what's happening in your club?

Project Vital is all about supporting your club to strengthen all of the below aspects of your club operations.

Effective and inclusive leadership is a really important factor in ensuring happy members. Clubs with

happy members participating in meaningful projects are an attractive proposition for new people to join, so long as you tell them what you are doing.

What is your club doing in each of the areas shown in the above diagram?

The Project Vital Team can help you with:

- Facilitate member satisfaction survey/discussion
- Brainstorm new project ideas with your club
- Help with marketing ideas, material or skills
- Leadership development/training for current & upcoming leaders
- Recruiting new members

Please call or email any of the following for help:

- District Membership (GMT) Team Leader – Margaret Gill
- District Leadership Team Leader – Suez Reid
- District Service Team Leader & 2 nd VDG – Charles Harrison
- Vice District Governor – Alan Hay

GLOBAL ACTION TEAM SERVICE

DIABETES MONTH OF NOVEMBER - Diabetes is a world wide epidemic with more than 250,000 people in NZ diagnosed with diabetes and the number is rising.

Diabetes

Lions Clubs and individual members are invited to participate in Lap the Map for Diabetes during November.

Find out more on our [website](#) and provide details of your event for our events calendar through this [form](#).

CHILD CANCER FOUNDATION - WIG WEDNESDAY - It's the Child Cancer Foundation Wig Wednesday promotion on the 7th of September. Resources with ideas for events and promotion are available [here](#). Donations can be made directly to Child Cancer Foundation or through your District Treasurer.

TRAINING AND LEADERSHIP

Emerging Lions Leadership Institute - January 2022

STOP PRESS: Applications are now out and we have secured the Massey University Sports and Rugby Institute as the venue. Find out more

Check out other upcoming Training in the GLT calendar on our [NZ Lion Website](#). We have listed training options for the next few months in the image below.

Check out the zoom course on [marketing your club Sunday 11 Sept 1-3pm](#)

Register your interest for any of the above courses and provide feedback on upskilling to Lynda Halverson by email at 202.glt@lionsclubs.org.nz.

202L Leadership Report

September 2020

RLLI – Regional Lions Institute

There is hope to hold a Regional Institute in NZ this Lions year, but funding has not yet been confirmed with LCI.

ELLI – Emerging Lions Leadership Institute

13-15 January 2023 – Palmerston North applications 202l.glt@lionsclubs.org.nz

ALLI – Advanced Lions Leadership Institute

Unfortunately this year, with the rotational programme, this year ALLI will be held in Bali this Lions year.. so unless members want to Travel up North, this is not an option for our Members

LCIP – Lions Certified Instructor Programme

This year will be in Christchurch 14-17 April 2023 prior to the MD convention in Invercargill. Applications will be open at the beginning of the year.

Stand and deliver

We.... I have been invited to arrange for a “Stand and deliver programme to be held in the District later this year in Hamilton.

District upcoming

Leadership Camp – following on from PID Cliff’s plans from last year... it is going to

happen this year W.I.P.

Mission statement of Lions Clubs International:

"To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."

Read below and find out how Morrinsville Lions are roaring along

Bright new seating at Rhoda Read Continuing Care

The Morrinsville Lions Club, and the Friends of Morrinsville Charitable Trust, have combined forces to provide Rhoda Read Continuing Care with extra seating.

There are six brightly coloured standard chairs, four in the reception area, two in the 'quiet room', and two recliner chairs. The chairs in reception are used by patients who are more mobile.

The new chairs reach health and safety infection control standards, as they have a durable surface which can be wiped with antiseptic wipes.

"Our previous chairs did not meet infection control standards because they were upholstered in fabric," said Rhoda Read Continuing Care Charge Nurse Gina Chaney. "This meant we couldn't clean them."

The staff chose the colours, from the range offered. "We also had physiotherapy input into the decision. We looked at the height of the seat,

and if someone could get out of them easily. Also is there something to push up from, and how high is the back."

The previous chairs were quite low, and difficult to get in and out of. "These are a better height," Gina said. "We can get out of these chairs real easy," said patient John King.

"The process has taken a couple of months," said John Petry, from the Friends of Morrinsville Charitable Trust. "I phoned Gina to see if there was anything Rhoda Read needed. She mentioned that their fabric chairs needed replacing, and the process started."

"We had to purchase them from an approved DHB supplier," said Gina. "The material they are made from has to withstand several years of being wiped down with antiseptic wipes."

The total cost has been more than \$10,000, which was shared between the Morrinsville Lions Club, and the Friends of Morrinsville Charitable Trust.

Seated on drawbar, Bill Duncan, Stu Robinson and Alan Hunter.*

Catering to raise funds for the community

The Morrinsville Lions Club are keen to cater for your next event!

They have a brand new, purpose-built trailered barbecue, which comes completely staffed, and can produce a wide range of meals for any sized crowd.

It's taken twelve months to complete the project, with most of the work

done by Lions Club members. "There are a lot of very clever people in our club, and also local businesses have been very helpful," said Kevin Richards, Lions Club President.

There are two six-burner gas barbecues, two large hotplates, a stainless-steel preparation bench and cooler units.

"It's really unlimited as to what sort of event it can be used at," Kevin added.

"It's going to be used for community fundraising, with all funds raised going back into the local community."

While the actual idea for the BBQ on a trailer came from Steve Davis, Stu Robinson owns a café, and the basic design was his work. "Over a beer or two," said Steve.

"Food safety is paramount," said Stu. "That's why it's all stainless steel."

"We can do anything from a basic barbecue to gourmet burgers, and even a full roast dinner," said Steve.

The Lions are in the process of forming a subcommittee to manage the trailer.

Anyone interested in getting a quote for their function

Garden Ramble—RAMBLINGS

Tickets will be sold at September and October at Lions Table at Eclectic Market 3rd Saturday of month and other outlets in Waihi are Mitre 10, Waihi Beach Hardware, Beach Road Garden Centre and HDC Office

For your out of town friends and family tickets can also be obtained from 'Aeroview Garden Centre' Thames and 'Country Dog Garden Centre' Paeroa

Gardeners will be hoping for some sunny days to start their spring gardening. In fact we all hope for some sunny days and less use of the umbrella!

The Athenree Homestead will have food and stalls, and the Leos are having a sausage sizzle at, Garden 8, 509 Trig Road.

Lets not forget the plant stall (on previous rambles we have made a lot of money from the plant stall) But this depends on your help in supplying plants and cuttings so please get potting!

We will start advertising in earnest when the tickets are ready to go on sale.

Won't be long before we can start planting sunflowers, petunias, tomatoes and beans!

Multiple District 202 Mission Statement

To empower Lions Clubs in New Zealand and the Islands of the South Pacific, volunteers, and partners to improve health and wellbeing, strengthen communities and support those in need through humanitarian service and grants that impact lives globally and encourage peace and international understanding.

Congratulations 30 YEARS Te Awamutu Rosetown

Take a look at what Rosetown are up to with projects, first Daffodil day in August and then their plans ahead

- Craft Fair wheelbarrow raffle on Saturday 13 November. Wheelbarrow donated, and contents purchased by the club but donations welcome. Site confirmed and a gazebo will be erected. More to come.
 - Pakeke Sleigh raffle assistance at end of November into December.
- Work in progress :
- Te Awamutu Talent Show in the planning stage. Lots to do.
 - Housie/Bingo in the planning stage

- November Diabetes month discussions continue.
 - Heather gave us a “heads-up” on the Dragon Boat event at Karapiro in April but should come through our District Committee and our help considered later.
 - We have raised the issue of starting the Zone Quiz again and our President will take it to the next Zone meeting.
-
- Congratulations to Trish Anderson, our committee member, on her 10 year Chevron Award.
 - Thank you to our committee, I am impressed with the knowledge and skill in our small but dynamic team.

Take care and stay safe Projects chair Glenice, Janet H, Shirley, Paula C, Heather, Raewyn, & Trish
