OCTOBER 2024

VOLUME 42, ISSUE 4

*Some Temuka District Lions Club members took on the challenge of rowing to raise funds from sponsors while others offered support and encouragement. We held our Row-a-thon at the local gym, which had two rowing machines, to raise money for Rowing for Life where our aim was to row 50km, the equivalent of what the "real rowers" were covering each day. With the encouragement of the gym owner Shane Johnstone and his "you can do it" attitude we managed a total of 100km. This would not have been possible without the use of his gym, his help and contribution of some of his members who also offered sponsorship. Even had one of the local policemen call in to do his bit. We raised \$1,437.50.*

## DG Derek's Discourse

**M**id-August has thrown up a spell of real winter with chilling winds, followed by a number of beautiful spring days and yes, the first of my early spuds are in the ground along with some lettuce, beetroot and chick weed. Spring colour continues to add glamour but I'm not sure the early September weather is any more settled.

Bulletin editors, please expand your distribution list to include ID Graeme Wilson  
graeme.wilson174@xtra.co.nz

The DG team continue to be impressed, surprised and inspired by the degree of community involvement being undertaken by clubs. In many cases there has been no slow down over the cooler months and looking towards the Christmas season, activities are ramping even more. A rare comment has been "we don't have the capacity to do this". Why? simply to big for one club?, a club too small?; a new unrecognised need? Or perhaps a combination of all?

It has been exciting to hand out new member packs to clubs across the whole district and some even asking for more. Unfortunately, the number of drops exceed these happy occasions meaning we are 17 less than July 1<sup>st</sup>. While this aspect is somewhat disheartening the induction of any new member is cause for great celebration. Congratulations to those clubs and welcome to those new Lions.

As I talk to clubs the most successful membership gain comes from a simple conversation that has included an invitation to join or at least come to see. With many of our clubs and the ageing demographic within them there is valid comment regarding the need of younger members. Where, when, how do we find/contact them. I do not have specific never fail answers. The best I can offer; the DG team is available to visit clubs and devise a plan, suggest a club uses one of their regular projects as a membership drive, consider their local area and look for openings and issue personal invites to specific targets, clubs close to each other, or zones combine for growth purposes.

A big back pat to the Mosgiel rebuild team who have after a couple of community meetings had favourable responses from educators in the Mosgiel area.

Similar pats on the back to clubs who have undertaken the club survey as step one towards growth.

Regardless of club size, new member growth, District J has 1147 Proud Lions proudly shouting "WE SERVE"

**DG Derek**

## Spot the Typos Competition

**T**hose eagle eyed readers who correctly identify the deliberate typo (or any other unintended typos) each month & advise editor Beryl of typo, are all eligible for a chocolate fish **if they are present at the 2025 202J Convention.**

## Zone 1 Bone of Contention

On Friday August 30th Zone 1 held a quiz night as a challenge for the Bone of Contention at the RSA rooms.

The Bone of Contention trophy had been missing for some years; it was established that Methven were the last winners against Pakeke for a bowls match many moons ago.

Recently after a lot of emails, photos of it last being presented and trying in vain to locate it, it surfaced. **Found** -a Methven member's wife was sorting, cleaning, tidying her husband's office, and a dusty bone emerged from where it had been languishing for some time.

All seven clubs in Zone one took part with six members/partners in a team. Lots of laughs and a few good answers, even though they weren't the correct ones.

Colin Morgan from Ashburton Lions and Malcolm Read from Hinds Lions were the quiz masters with five sets of questions each, with five questions in each set. Some were relatively easy while some were more difficult.

After ten rounds the winners were Ashburton Pakeke, second equal Ashburton and Mayfield.

Above: Ashburton

Below: Mayfield

It was good to hold a challenge again and have all the clubs involved; it is now up to Pakeke to challenge another club or all the clubs (watch this space). The general consensus was that it was a fun night and those that took part enjoyed it win or lose.

Thanks to all involved and Roger for being the MC/organiser.

*Jan Stonyer, Ashburton County*

**W**elcome to all new Lions members in Zone 3. Lions, strong and proud, your service makes our community loud! From near to far, you make a mark, bringing light where it's dark! You've given time, and you have shared your care; together, Lions, we're everywhere! Through thick and thin, you always show that helping hands help others grow! So, here's a cheer for all you do, Lions; we're grateful and proud of you all!

### ♣ Timaru Host:

Fundraising efforts for the Alexandra Lifeboat Project mission to "Get the Boat Back to the Bay" are through Rhododendron sales, '200 Raffle', (see page 6) and a quiz night in November. Meanwhile, the train is getting a fresh coat of paint and a revamped roster. Other coming activities include Multiple Sclerosis Walk support, food bank donations, refugee support, Bioblend, and planning for the Soapbox Derby.

## Timaru Suburban Lions Penguin Camera Project 2024: Keeping an Eye on the Little Penguin!

<https://www.timaru.govt.nz/community/our-district/penguin-cam>

**W**elcome! Nestled amidst the golden sands of Caroline Bay lies Timaru, a coastal gem of New Zealand. Here, bustling cafes, lush gardens, and pristine beaches converge to create a unique seaside experience. However, amidst this beauty lies a rare and cherished resident - the Little Penguin! Embark on a fascinating journey as we unveil the Penguin Camera Project along the picturesque Marine Parade at Caroline Bay in Timaru. This project began in 2019 and aims to provide an intimate glimpse into the daily lives of the Little Blue Penguins.

In collaboration with **Allied Alarms, PrimePort Timaru, and the Timaru District Council**, the **Timaru Suburban Lions** have installed a camera offering various captivating views of the penguins' journey. From their ventures in the sea to their cozy nests, our camera views will provide an immersive experience for all nature enthusiasts.

Please note that these cameras may require occasional adjustments, and the Little Penguins are typically visible during certain seasons, especially at dusk and dawn. We kindly ask visitors to be considerate of others who share a passion for observing the penguins' journey.

Join us in celebrating the wonder of nature and the importance of conservation efforts.

Whether you're a local enthusiast or a curious traveller, head to <https://www.timaru.govt.nz/community/our-district/penguin-cam> to witness the magic of the Little Blue Penguins through the lens of the Timaru Penguin Camera Project.

# Instructions for Updating the Club Constitution and re-registering under the Incorporated Societies Act 2022, based on a letter from MD202 Legal Counsel, Alan Knowsley, March 2024.

Lions clubs charter as part of an international association. All clubs from around the world adhere to a standard form constitution. The only changes to the standard form constitution that clubs need to make are those required to meet legislation provisions of their particular country. In the past, for example, New Zealand required a winding up clause to be added.

The Incorporated Societies Act 2022 has brought in several new requirements for all incorporated societies, including Lions Clubs.

Lions MD202 Legal Counsel prepared the Draft Lions Club Constitution (as circulated) that ensures that Club constitutions satisfy both Lions Clubs International requirements and those of the Incorporated Societies Act 2022..

This draft Lions Club constitution was submitted to the Registrar of Incorporated Societies and it has been approved. The good news is that the first Club to use it has been re-registered under the 2022 Act.

The template is now available to assist all other Lions Clubs to meet the re-registration obligation. **There is no charge for re-registration.**

**Clubs that are NOT incorporated at present can register online** by going to the New Zealand Companies Office website and following the instructions on the section headed Incorporated Societies. **To incorporate a new society you need to:**

- ◆ complete an online application,
- ◆ upload your constitution, and
- ◆ pay the application fee \$88.89 (plus GST).

Continued next page

## Your District Needs You!

- ◆ **J-Times Editor(s) for 2025/2026 onwards**
- ◆ **Heads Up For Kids contact person, Zones 1,2,3** (Malcolm Lill willing to assist)
- ◆ **District 202J Secretary for 2026/2027 year & beyond**

Please contact DG Derek if you can help District 202J in these roles.

## Updating the Club Constitution and re-registering under the Incorporated Societies Act 2022

### THE FOLLOWING IS AN OUTLINE TO ASSIST CLUBS OF DISTRICT 202J TO COMPLETE THE PROCESS

(Remember: If changes other than name are proposed check with District Legal Chair before putting to Club for adoption)

**Insert your club name in the Constitution** in the two places highlighted.

**Put the new constitution to your club Board** for consideration.

Once approved by the Board, **send a copy to each of your club members giving 14 days' notice of a meeting to vote on adopting the new constitution.**

**At the meeting put the following resolution to the members:**

**"THAT The members of the Lions Club of xxx Incorporated (insert your club name) adopt the new constitution as annexed."**

**Once approved by the members, the Club should then be re-registered** on the Incorporated Society website.

**Note that this is re-registration under the 2022 Act, not registering a new constitution under the 1908 Act, which is a different process and not to be done in this situation.**

**There is no fee to re-register.**

**Acceptance and a new Certificate of Incorporation should be received within a few days.**

**This process must be completed by April 2026** or else the Club will be deregistered by the Registrar.

**If your Club is NOT registered as an Incorporated Society** at present then the process of registering differs from that of re-registering but it is not onerous and can be done online. Go to the Incorporated Societies section of the New Zealand Companies Office website for details.

The official Lions logo (at left) can be downloaded from the LCI website at:

If you just Google "Lions logo" or similar wording without going to LCI's website you'll find all sorts of incorrect unofficial or obsolete versions (see below) - please don't use these.

Club bulletins & publicity using obsolete Lions logos such as those below are marked down when judging for the Clarkson Trophy.

It is now 16 years since the current logo was introduced - it has a modern appearance & is our Lions branding.

What appeal would old-fashioned branding have for the younger members we are trying to attract?

## Focusing on Vision

**D**o you recall Lions Sight First One and Sight First Two fundraising campaign?

When Sight First One launched in the early 1970's Lions around the world came together raising US\$170 million. This enabled Lions over the following decade, to help save the eyesight of millions of people through related grants and projects, providing cataract surgeries, eye care services, which included eliminating river blindness in Latin America and controlling its spread in Africa.

By 2002 it became obvious that Sight First One funding wouldn't last forever and to enable this amazing far-reaching life-changing programme to continue, Lions Sight First Two was launched. \$US205 million was raised by Lions around the globe who devoted countless hours fund raising for this programme.

Additional objectives for Sight First Two programmes included addressing "threats to vision" such as diabetes, glaucoma and childhood blindness. Sight First Two also provided eye professionals training, vision clinics, vision screening and providing eyeglasses.

As with most good things, in August 2024 the **final Sight First Advisory Committee meeting** was held to make the **last Sight First grants**. Starting January 2025, **all vision projects including Sight First grants** will be consolidated under a **new vision grant programme**. As well as continuing the principles of the Sight First programmes, funding will be available to support major equipment acquisitions, infrastructure renovations and training for medical professionals in low-income countries.

To ensure our Vision Programme's future, Clubs and individual Lions are asked to support our Foundation by donating to LCIF's Empowering Service - Vision programme. Over the last 30 years alone, over 544 million people have been served by Lions through Sight First programmes.

Since Helen Keller addressed the Lions International Convention in Ohio USA in 1925 and challenged Lions to become "Knights of the Blind" in the crusade against darkness, we have impacted on millions of lives through vision related service.

## Berwick Outdoor Experience

**9<sup>th</sup> – 17<sup>th</sup> May 2025**

Last year the Berwick Outdoor Experience was cancelled, not through the lack of funding or volunteer instructors, but because of a lack of participants.

The next Berwick Outdoor Experience is to be held on 9<sup>th</sup> to 17<sup>th</sup> May 2025. The Lions Club of Taieri is reaching out to all the clubs in our District to help find participants that will commit to this outstanding experience. Lions clubs, through marketing and promotion could seek applicants from within their communities.

The Lions Club of Ashburton have always had great success in finding participants to attend the BOE. In the May edition of J-Times, Barry Vessey told of how their Club markets and selects applicants – we would like to think that other clubs could do the same in their communities.

There will be no increase in the fee, this is being kept at \$700.00 the same as last year.

Our volunteer Instructors, who all take annual leave from their employment, are all on board for the next Experience, however we need commitment of participants.

We will send out further information to clubs by mid-October.

**D**unedin Host Lions is a small club, but the members all have big hearts. Our main fundraising project/ community activity for the year is our annual garage sale, held the weekend before Labour weekend.

This year we are raising funds for the Dunedin Night Shelter, to help with their recent extensions to the building, so they can accommodate more people, currently able to assist 6 people, once completed will be able to assist 12 people per night.

The Night Shelter offers free emergency accommodation to anyone in need. The shelter is open from 6pm-9am every day. The Shelter provides dinner, breakfast and a warm, dry bed for those who have nowhere else to turn, clients are able to wash clothes and are provided with advice and assistance in finding accommodation and ensuring they are receiving all appropriate benefits. Clients are generally able to stay at the Shelter for a maximum of five nights.

We keep prices low to also assist the people of South Dunedin, where our sale is held, as South Dunedin is the second lowest Socio-economic place in NZ.

At the end of the sale, we pass goods on to other local organisations, which is an extra way to help the community.

- ◆ Men's clothing and Bedding go to the Night Shelter.
- ◆ Books, CDs DVDs Go to the Regent Theatre towards their book sale.
- ◆ Bric-a-brac, clothing, crockery and other items are collected by the Salvation Army.
- ◆ Baby items go to Pregnancy Help and a Birth Support group.
