# Bula!

**Your flight to the 202K District Convention in Nadi has not been delayed and will be boarding in less than 2 months.**

*The expected temperature in Nadi for the convention will be highs of 31 and lows of 22. At the same time Auckland will be 20/13, Apia 30/24, Pago Pago 30/25.*

Today is a perfect time to book your flights, accommodation and to register for the convention.

PLEASE NOTE: Your passport must be valid for at least six months beyond your intended departure date from Fiji

If have booked, please complete the registration forms as there is a lot of planning to do with the committee and as you will appreciate numbers are important. Some have booked fares and accommodation but not registered yet.

The Fijian Government has introduced a new Tourism Services Tax (TST) applicable to any bookings departing from **01 September 2026**. Those with existing accommodation for Fiji will be required to pay the 5% tax directly to their hotel upon check out.

The convention will be at the **Tanoa International Hotel** but there are many great options for accommodation in the immediate area or at Denarau Island.

*If you are booking at the Tanoa International, book direct noting that you are there for the Lions Convention and you will get a preferential rate equal, or better than others on offer.*

The hotel has on site taxi, shuttle and bus services so exploration is easy.

A full programme is planned from the 13<sup>th</sup> to 15<sup>th</sup> November and more details will follow.

**Relax, Refresh, Revitalise**
