MURRAY'S MEMO

reetings fellow Lions. Here we are already one month in to the new Lions' year and things have got off to a great start. Firstly, congratulations to strict Governor Jack, who was inducted as Governor at the Lions

Clubs International Convention held in Milan between the 5th and 9th of July 2019.

Simon and I had the privilege of also attending the Convention.

What an eye-opener, some 22,000 delegates, all of whom keenly participated in the many and varied workshops, plenary sessions and other events which were on offer. A highlight was the International Convention Parade along one of Milan's most scenic and historic areas with cobblestone passageways. The New Zealand delegation was one of the smaller ones with only 30 or so participants, with other countries mustering as many as 700 people. All participants in the Parade were warmly received by the Milanese locals, with New Zealand being given a particularly warm reception.

The Convention Committee ensured that there were a wide range of interesting and topical fireside workshops including such topics as:-

- How to use technology as a Productive Lion
- Messaging with MyLion ...
- Cyber Clubs virtual but very real ...
- Getting Them There and Keeping Them Busy
- Youth Camps and Exchange Programmes
- Recruiting for 21st century Lions Clubs
- **Diabetes Seminar** ...
- Specialty Clubs: Traditional Clubs with Special Interests ...
- Global Action Team Successes: Where Action Makes a Difference

A standout feature of the International Convention for Simon and I was to meet and converse with fellow Lions from around the globe, all of whom had the common purpose of serving their communities.

There was little chance for rest once back in New Zealand, with a Cabinet Meeting being held on 20 July, followed by a very successful President's Weekend. D.G. Jack had laid out a full programme for the Presidents, and it was pleasing to see that it was well attended. I'm sure that all Presidents will take their new learnings back to their Clubs and energise them for another year of service to their respective communities.

One of the highlights of the weekend was a presentation I wish all Clubs a very successful and enjoyable year. by Bill Day, Chairman of Wellington Hospital's Foundation, who updated us with progress with the construction of the new Children's Hospital in Wellington. The new hospital will serve the needs of unwell children throughout our District, and Wellington Hospital's

Foundation is seeking to elicit the support of Lions Clubs throughout our District, District 202D and Clubs from the Nelson/Marlborough area, in the establishment of an interactive and rehabilitative playscape area. Club visits by D.G. Jack and myself have now started in earnest and we will provide further details to Clubs about this exciting initiative during these visits.

From the Editor's Desk

Well already one month has gone by. DG Jack and VDG Murray are back from Milan and fizzing with what they experienced at International Convention. Their club visit schedule is outlined on page 4 in the InforM of last month and on page 6 of this issue.

I thank the five clubs whose editors have sent their bulletins to me. Unfortunately only one of them has the details of any of their club's upcoming projects. Maybe its too early in the new Lions year.

The **deadline for articles** and for club bulletins is **27th of each month**.

DR. JUNG-YUL CHOI—INTERNATIONAL PRESIDENT

Dr. Jung-Yul Choi of Busan, Republic of Korea, was elected to serve as International President of Lions Clubs International at the association's 102nd International Convention, held in Milan, Italy 5—9 JULY 2019. A member of the Busan Jae-il Lions Club since 1977, President Choi has held many offices within the association, including club president, cabinet secretary, district governor and international director. He also served numerous times as a DGE Group Leader and served on 11 committees as a member of the International Board of Directors.

In addition, he was a chairperson of the 39th OSEAL Forum in 2000 and a host committee chairperson at the 95th Lions

International Convention in Busan in 2012, the largest convention ever held in Lions history.

In recognition of his service to the association, President Choi has received numerous awards, including the Humanitarian Partnership, Senior Master Key Award, 100% District Governor Awar

President's Leadership Awards, and an Ambassador of Good Will Award, the highest honour the association bestows upon its members.

A Letter to Lions Club Members

The world is as diverse as the needs of its people. And so are Lions. We represent countless countries and cultures united behind a common language—service. Wherever someone in need calls out, we answer with kindness and compassion. This is our strength and the foundation of my presidential theme, "We Serve through Diversity."

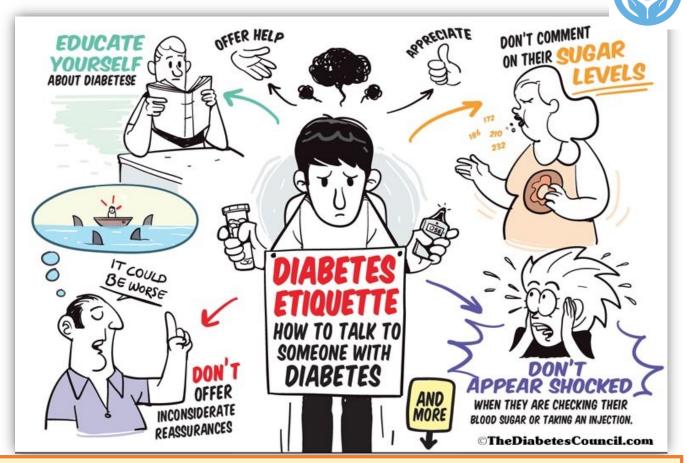

I believe that each Lion possesses the unique knowledge, experience and ability to serve the needs of their community. I believe that our differences make us stronger.

I believe that when we join together as one, we can reach our full potential and achieve the greatest good our world has ever seen.

It will be my privilege to stand with you this year as we serve through diversity.

Regards,
Dr. Jung-Yul Choi
International President

From your District Diabetes Co-ordinator—Glenys Hansen

DON'T offer inconsiderate reassurances. Phrases like "Well it could be much worse!", don't make them feel better. That message comes across that diabetes isn't really that big of a deal when in reality it is.

DON'T offer advice about their eating habits or diet. You might think you mean well when you are handing out this advice, but when it's not requested, it's not really that nice. Many of the common thoughts about diabetes and eating are out of date, so you will just seem rude and ignorant.

DON'T tell horror stories that you've heard about diabetes. (i.e. your grandma's cousin's neighbour lost their leg because they ate a ton of sugar), this is definitely not helpful. People with diabetes are well aware of what could possibly happen if they don't manage their diabetes well. They don't need you to bring it up to their face.

DON'T appear shocked when they are checking their blood sugar or taking an injection. It's not really something they are looking forward to doing, it's just something they must do to, you know, stay alive. When they are forced to hide it because people act shocked and disgusted over and over, it only makes doing so much harder.

DO take the time to educate yourself about diabetes. That way you can help to educate others that may make the above comments when you are with your friend or family member.

DO offer your support about their diabetic care. It's important to honour any decision they make about a food choice, even if it's something you really want them to taste. When they are trying to avoid extra carbs, temptation doesn't really help, it only adds fuel to the fire.

DO appreciate the hard work and dedication that people with diabetes have to put in each and every day just to stay alive. It's a 24/7 disease that they cannot take a break from, and having someone that appreciates all they do can really help.

DO ask them how you can be of help. There are a ton of little things they probably could use your help with but don't want to ask.

TOMATO AND CHICKPEA SOUP

SERVES: FOUR

INGREDIENTS

1 Onion chopped

2 cloves Garlic, crushed

1/2 tbsp. Olive Oil

1 cup Water (can add more if needed)

1 x 425g can Chickpeas

2 x 400g cans Italian Style chopped tomatoes

Serves 4

Prep time 10 mins, cooking time 30 mins

Nutritional Information

Serving size 475 grams

Average quantity per serving:

Energy 1960 kJ (496 kcal), Protein
28 g, Fat total 16.1 g - saturated
3.7 g, Carbohydrate 43.5 g - sugars
11.1 g, Sodium 312 mg

400 g lean minced beef

1 large onion, chopped

2 garlic cloves, finely chopped

3 stalks celery, sliced

3 medium carrots, halved and sliced

425 g can concentrated tomato soup

1½ cups hot water

½ tsp each dried oregano and basil

200 g short pasta (rigatoni, large shells, macaroni, etc)

2 cups quick-cooking vegetables (frozen peas, small broccoli florets, mushrooms, etc.)

black pepper to taste

One Pan Dinner

- Heat a very large pan, an electric frying pan or large heavybottomed pot. Add the minced beef in several chunks, and heat, stirring frequently, to break it up.
- 2 Add the onion and garlic and keep stirring over high heat until the onion is transparent.
- 3 Add the celery and carrots, then the soup, hot water, oregano and basil. Mix together and allow the mixture to return to the boil.
- Add the pasta and mix to combine. Reduce the heat to a gentle simmer and cover with a lid. Cook for about 20 minutes, stirring every 5 minutes or so, or until the pasta is fairly tender. (If you think the mixture is too dry, add another ½ cup of water).
- 5 Stir in the green peas, broccoli and/or mushrooms and cook for another 5 minutes, or just until these are tender. Season with pepper.
- 6 Serve topped with some chopped fresh parsley and a little grated parmesan, if you like.

DIVERSITY BRIDGES ALL DIVIDES CREATING HARMONY THROUGH SERVICE

DIVERSIFYING OUR SERVICE UNITING CLUBS AND COMMUNITIES AROUND THE WORLD

Hard work. The importance of giving your all with consistency, vision and passion. Never allowing someone in crisis to go unserved. These are the values passed on by a loving mother to her son 103rd International President, Dr. Jung-Yul Choi. As a member of the Busan Jae-il Lions Club in the Republic of Korea for over 40 years, International President Choi leads by example.

His career and life have been defined by the work ethic instilled in him as a child, along with a passion to bridge differences, connect people and embrace diversity to create harmony for all.

As a young lieutenant in the military, he worked as a translator, empowering a greater understanding of other nations for his fellow soldiers and his country. As a business owner, he worked across borders, establishing trust internationally.

As a husband and a father, he has been loving, strong and devoted. And now, as International President, Dr. Jung-Yul Choi is ready to help Lions come together in greater unity than ever before. He will lead our Lions family with the same wisdom his mother instilled in her family: if you work harder than you're expected to then extraordinary results will come.

The world is facing many challenges. Natural disasters, famine and disease. Conflict, prejudice and greed. The unfortunate reality is that there will always be difficulties for us as global citizens to overcome. Yet, history has also shown the potential for creative and peaceful solutions to these problems, a path to a more harmonious existence. While the problems may seem insurmountable when faced alone, we can all take comfort in our strength, our nearly 1.4 million Lions, and our incredible ability to engineer solutions. Love. Compassion. Inclusion. Connection. Only through a diverse group of perspectives, including people of all backgrounds and all places, can we realize our full potential as Lions and serve the diverse needs of our communities, and the world. There's a reason we've each chosen to be a part of Lions Clubs International. It's because we value the insight, the beliefs and the heart of others, and we realize the greater good that can only be achieved when we join together as one Each of our 1.4 million members is different. These very differences are what make us strong. They

Dr. Jung-Yul Choi International President,

make us great. They make us Lions.

Almoner Heather Hardman

Hi Lions,

My name is Heather Hardman and I am your Almoner for the new Lions Year 2019-2020.

Please forward me the names of Lions and their partners that have been called to 'Higher Service'.

When you send their obituary, please include a short family and Lions history and a photo.

This year I would like to include happy times so please send details of Lions that are celebrating special birthdays, anniversaries or births.

Thanking you

A Very Special Bear

t a recent meeting of the *Lions Club of*Napier Host, a cheque for a \$1000 was presented by Past President John

Robertson to Rachel McQuade from

Diabetes NZ. John is local Convener of

the "World Festival of Magic NZ" that has now been touring the country for over thirty years, proudly hosted by over a dozen different Lions Clubs, providing an opportunity for special needs and other disadvantaged children and their families in the community to attend and enjoy the magic show, thanks to donations from local business and industry while, at the same time, raising money for the youth of Hawke's Bay. This year, Diabetes NZ was chosen as the grateful recipient.

Rachel was accompanied to the meeting by her eight-year-old daughter, Maddison, a Type 1 Diabetic. Some of the amount raised will be going towards helping to fund and distribute *Jerry the Bear* packs that comprise an interactive teaching toy (a teddy bear called Jerry that suffers from Type 1 Diabetes), a virtual pump, tabs, an insulin pen and an *app* for children to measure its blood sugar levels - as cleverly demonstrated by Maddison at the meeting.

But such families are informed that they are not alone, that with the help of Jerry the Bear, Diabetes NZ is there to help and support them every step of the way. With the help of the app, affected children will discover how they can still play with their friends, take part in sport and enjoy life to the full, all the while learning more about managing their condition.

If you, or someone you know, is living with Type 1 Diabetes and would benefit from receiving such a pack, please email youth@diabetes.org.nz

The schedule above covers October.

Club Presidents are encouraged to make this DG Club visit an 'event' by inviting partners, the local Mayor or MP's, potential Lions and family members. The presentation will be interesting and the video clip from incoming Lions International President Jung-Yul Choi is excellent and very interesting for Lions and non-Lions alike.

Note that as we do not have a 2nd Vice District Governor, all of these visits will be done by DG Jack or 1st VDG Murray. Please do not schedule another guest speaker on the same night as it does inhibit discussion from members wanting to get home 'on time'.

Training Opportunities

Again we have an opportunity to attend an Institute in New Zealand. Don't let this pass you by.

Lions International Institutes

The following Institutes are scheduled on the LCI calendar for 2019-20. Forms are available either on the international website or from District Leadership Coordinator Rex Bullard.

Faculty Development 14th to 16th September
Auckland

Advanced Lions Leadership 2nd to 4th November Christchurch (Aug 19th deadline)

Advanced Lions Leadership Institutes focus on building the skills of Lions leaders to prepare them for leadership responsibilities at zone, region and district levels.

Qualified candidates are Lions that have completed a successful term as club president, but have not yet attained the position of First Vice District Governor.

https://www.lionsclubs.org/en/resources-formembers/resource-center/advanced-lionsleadership-institute

Lions Certified Instructor Program

3rd to 6th April Sydney (Jan 19th deadline)

The purpose of the LCIP is to deliver consistent effective training at all levels within Lions by increasing the number of qualified instructors, while also providing a framework for broadening and deepening the knowledge and experience of the instructors.

https://www.lionsclubs.org/en/resources-formembers/resource-center/lions-certifiedinstructor-program

Emerging Lions Leadership Institute is planned for April 17th to 19th 2020 and more information will be available soon. Applications are not yet open.

Emerging Lions Leadership Institutes focus on building the skills of Lions and Leo members for leadership opportunities at the club level, including the position of club president

202M DISTRICT CONVENTION 2020

REPORT NUMBER ONE - JUNE 2019

The Hastings Host Lions Club, actively supported by all Clubs in Zone 2 welcome all Lions, Lionesses, Leos and families to this different Convention. It is in Hastings based at the Riverlands Church Complex in Te Aute Road.

The venue has an excellent "top of the range hall" with great facilities and an excellent dining hall. It also has a good basic range of accommodation options on site at very competitive rates and is very well set up for motor homes and caravans.

Our Convention Chair is Carol McMillan and her team have lots of ideas on how to make this convention a fun event for your Club members and the whole family.

Within your Club, start assembling a team to go to Hastings and have some fun as a group.

Family members and children are most welcome at Riverlands with lots of activities to keep them entertained. We are just waiting on confirmation of a very special VIP speaker and hope to announce that in our next Inform Report.

Thank you Thank you Thank you

If you are already a MyLion user you have access to the new combined site. Use your MyLion credentials to access both MyLion and MyLCI.

If you are new to MyLion you will need to register. You will need to know YOUR member ID which you can get from the club secretary and either the email address or mobile number you have as part of your member info in MyLCI.

Go to lionsclubs.org and at the top right of the screen you have this link.

This takes you in to a Welcome to your Lion Account screen where you can complete the registration process. Make sure you have your phone or email handy as you will get a code to enter to complete the process. This will be sent to whichever login you decided to use – phone or email.

In some households we have two Lions with the same email address so one of you should be using your registered mobile number.

If you are already registered with MyLion use those credentials and sign in. You will get this screen.

If you still have issues please contact PDG Alice McDonald who will work with you to make sure you have access. (alicem.mcdonald@outlook.com)

WELLINGTON CHILDREN'S HOSPITAL

At president's weekend we had a presentation from the team who are responsible for fundraising the balance of the money for the new Wellington Children's Hospital.

Mr Mark Dunajtschik is contributing \$50 million, the Government and CCHB \$28 million and the community \$6 million. Of that there has been interest from some clubs in raising the required funds for the outdoor 'Playscape" **which will be much more than a traditional playground.**

The new hospitals 'Playscape' area will be more than a traditional playground.

It will be an holistic 'green' healing area where young patients of all ages will be able to enjoy the outdoors.

Patient ages range from birth to 16 years and the **'Playscape'** has been designed with this in mind, with not only play areas, but quiet reflective areas for older patients to sit with friends and families.

The Playscape values and qualities will make this a project Lions will be justifiably proud of.

So what are Lions being asked to consider?

Wellington Hospitals Foundation respectfully seek consideration from Lions District 202M for funding of \$500,000.00 for the 'Playscape' in the new Wellington Regional Children's Hospital.

Can your Club help?

[&]quot;My philosophy is people that are born with a healthy body and mind can look after themselves and those unfortunate to be born with, or suffering ill health need our help." Mark Dunajtschik
