# District Governor's Message

## Hi all Lions

There has been a lot happening in our 202D District since our last cabinet meeting in Patea. The DG visits by Louise, Megan and myself are nearly complete and I thank the two VDGs for the effort they have put in.

Our District is fortunate to have two very capable people as VDGs. What a pleasure it has been to meet so many enthusiastic Lions and hearing about variety and the wonderful service projects they undertake in their communities. I look forward to visiting all Lions Clubs in our District before the end of the Lions year.

It is encouraging that clubs are taking up the challenge to review how they operate, and the projects they undertake. It is good to see changes being made, adapting to what actually works best for them and their communities. May this continue to all sectors of the Lions organization.

## YOUTH EXCHANGEES

Urgent request from our North & South Youth Coordinator's for Lions to host the following exchange coming into our 202D District in December 2019. **PLEASE HELP.**

- 3 young women from 21/12/2019 to 27<sup>th</sup> Dec when they leave to attend camp in Tauranga. Ages, one 18 yr and two 17yrs
- Malaysian & Australian from 17/12/2019 to 27<sup>th</sup> Dec when they leave to attend camp in Tauranga. Two Malaysian young ladies  
One Australian boy.

## DISTRICT MEMBERSHIP

Our District membership is at 1087 which is minus 14 from 1<sup>st</sup> July 2019. Clubs are inducting new members but some are yet to be registered on My LCI. A reminder to clubs that members who have been inducted but not registered are not covered by Lions Insurance while undertaking projects.

## **District Governor's Message cont;**

### **NEW CLUBS**

New Plymouth Central currently has 16 members plus two friends of Lions, still 5 – 6 members short to charter, and Palmerston North Clearview Park are also sitting at 16 members with a further 2 prospective members in the wings. With a concerted effort both clubs should charter in this Lions year.

### **LIONS TRAINING**

The District had 1<sup>st</sup> VDG Louise and 2<sup>nd</sup> VDG Megan attend ALLI training in Christchurch. As cabinet we need to continue to encourage members to attend training courses by utilising the programmes which are available such as; Stand & Deliver in Wellington on 15-16<sup>th</sup> Feb 2020 and ELLI in Christchurch on 17<sup>th</sup> to 19<sup>th</sup> April 2020 and Pathways to Leadership TBC. For those keen to learn more about Lions the LCI site has many opportunities to undertake courses on a varied range of topics.

### **DISTRICT GOALS**

As District Governor I am required to set goals for our District. This is current brief overview:

#### **Leadership**

- Club Officer Training 92% achieved from the two evenings held. The clubs which did not attend training have received the full complement of manuals along with a discussion on training to achieve 100%.
- Zone Training: 100% achieved
- Lions Leadership Institutes: To have six members attend LLI training.

Currently we have 2 attending ALLI and look forward to at least another 4 either at ELLI, Pathways to Leadership and Stand & Deliver in the New Year.

**INTERNATIONAL PRESIDENT • 2019–2020**

### **Lions Can Fill the Gaps**

Greetings, Lions.

Regardless of where you live, the change of the seasons comes with certain rituals. For many of us, those rituals involve food. Whether it's the smell of your grandmother's soup or your neighbor's hot dogs on the grill, the smells of the season fill you with warm memories.

But that may not be the case for those living with hunger. For many, this time of year brings fear and anxiety. Yet another cold winter to make it through with little to eat. Or one more long hot summer without a school lunch for a hungry child.

As Lions, it's our responsibility to help those who need us. No one in our communities should wonder where their next meal is coming from. But whenever possible, we should look beyond the short-term fixes. Yes, we should stock food pantries and man soup kitchens. But we should also look at the bigger picture. What is causing our neighbors to be hungry? And how can we, as Lions, help change the odds for families that are struggling?

Everyone should have the opportunity to make choices that are good for their health. Everyone should have access to fresh fruits and vegetables. Everyone should be able to take a walk in a park or have a safe, reliable way to get to work.

So, when there is a gap — no grocery store for miles, no reliable transportation, no parks — Lions can help repair these holes in our communities. We can form the social safety nets that keep our neighbors living healthy, fulfilling lives.

As you plan your holiday meals or fire up your summer grills, think of ways your community could be better serving everyone. And find a way to fix it.

Sincerely,

Dr. Jung-Yul Choi

International President,

Lions Clubs International

## YOUR WORLD IN NEED, YOUR FOUNDATION IN ACTION

253 million individuals are blind or visually impaired.

LCIF will reduce avoidable blindness and visual impairment, and improve quality of life for those impacted, through SightFirst grants.

2/3 of children report being victims of bullying.

LCIF will provide access to education, health services, and social programs, and provide youth skills-building programs, including Lions Quest.

Our planet experiences a 15% rise in natural disasters every year.

LCIF will deeply engage in disaster relief efforts, preparing for whenever and wherever devastation strikes.

245 people die every day from measles.

LCIF will support programs addressing the needs of at-risk and vulnerable populations disproportionately impacted by social and economic factors.

425 million people live with diabetes; this number may approach 630 million by 2045.

LCIF will respond to the diabetes global epidemic through multi-faceted, comprehensive health initiatives.

Every 2 minutes a child is diagnosed with cancer.

LCIF will strengthen medical and social services, increasing global life expectancy of children living with cancer.

820 million+ people go to bed hungry each night.

LCIF will expand resources and infrastructure needed to address food shortages worldwide.

By 2025, 50% of the world's population will live in water-stressed areas.

LCIF will protect environmental health globally, generating positive ecological and humanitarian impact.

### Membership:

- Target to be plus 10 at the end of this Lions year
- We started the year with 1101 currently with are at 1087, -14 so a bit of work to do here. The Orientation and Retention team are working on some ideas on both of these key aspects.
- Women's Expo in New Plymouth had 12 potential new members speak with the team on duty. Thanks to those who set up the stall and manned it.
- Papaioea Rose City club held a potential member meet and greet evening, the outcome was a number of attendees as potential Lions.

### Service Activity:

- A very bold goal has been set to serve 250,000 people with 75,000 being under 18 years old. It is important that clubs do report their activities, currently only 15 out of 37 clubs have reported an activity. I acknowledge clubs are having difficulty in accessing MY LION. The IT teams have been working hard to ensure at least two members in each club can operate MY LION.

Goal is to 92% of clubs accessing MY LION.

### LCIF:

- Goal is to have 80% of clubs understand the impact of our Foundation and demonstrate their support with a donation to LCIF.  
Increase donations by 10% over last year's donations of US\$12,510.27. Currently only two clubs have donated but most donate in May & June.

**Proudly supported by McDonald Real Estate Ltd.**

### Environment:

- Every club has received information from the 202D District Environment Coordinator to register an Environmental project that they can be proud of. The key is to let Gerard Karalus know what project you are attending to undertake in this 202D initiative.

Plan your project.

Promote your project in your community

Report your project on MY LION

### Zone chairs please promote this initiative

Lions continue the wonderful projects of service you are doing, have fun and enjoy fellowship of one another and keep asking;

What is my job in Lions? What is it that needs doing that I know something about that probably won't happen unless I take responsibility for it?

- Plant trees. Consult your local environment authorities to determine the type and number of trees needed, as well as the location for planting.

- Meet on a monthly basis and clean up a beach, community space, or roadside area as a club.
- Challenge all Lions in your club or district to add at least one green habit to their daily lives. Inspire others by sharing your actions on social media. Habits might include:
  - Using a reusable water bottle or coffee mug rather than disposable products.
  - Changing to energy-saving lightbulbs.
- Recognize a local organization or community leader for their efforts in environmental conservation.
- Calculate your carbon footprint with an online calculator. If your footprint is bigger than you would like, purchase carbon credits that are Gold Standard Certified and brainstorm ways you can lower your carbon input.
- Volunteer with your local park service to maintain trails. You will help more people access and enjoy nature!
- Collect used cell phones and donate them to individuals in need.
- Develop a demonstration garden or landscaping plot using native plant species to encourage restoration of the local natural habitat and water conservation.
- Work with local schools to establish organic school gardens and a composting program to improve the quality of school meals and reduce waste.

# What's Lions

## THE MONTH OF NOVEMBER DIABETES AWARENESS MONTH!

Hi everyone, it's been a while

Editor's  
corner

since I've had a reason to reach out to our Lions partners but as we're now into Spring and Diabetes Action Month (November) is well and truly at the forefront of our minds I wanted to touch base to let you know the theme of this year's campaign. I'm pleased to be able to advise that our

theme this year will be **"It's About Time"**.

The theme gives us scope to have fun but also plays on the idea of encouraging early detection and early, optimal treatment for type 2 diabetes. It encompasses time bound actions for individuals, whanau, the wider community, healthcare professionals and the government who can all take action NOW to make a difference for themselves, their families and their communities.

Our Branches are still very much in the process of organising their events and activities, but early indications are that many of the events that took place last year are likely to be repeated this year. If your club would like to offer your support please let me know and I can put you in touch with your nearest DNZ branch if you don't already have a contact there. For your convenience I have attached a link to the Branch page of our website also. <https://www.diabetes.org.nz/branches>

If there isn't a DNZ branch in your area, you may like to organize something independently. Strides events have always been a successful way to create a buzz in communities and is always a great fun filled family focused day.

Last year some Lions clubs offered to distribute posters highlighting symptoms of Type 1 diabetes to medical centres in their communities. We have plenty left so if you didn't do it last year, perhaps 2019 could be the year for you?

## Youth South Report

Greetings Lions, from 202D South.

**URGENT**

### Youth Exchange.

Our district is expecting 3 female Italian students, 2 female Malaysian students and one male Australian student to stay with host families in mid- late December. **We are looking for Lions host families who are able to host these young people,** and share our

culture and country with them. Please consider hosting these young people while they are in our district- either by offering to fully host or by sharing the hosting among club members- you are encouraged to make this a club project.

**We need to arrange host families ASAP, so** for more information, dates etc..

please contact Stephanie/ Wilf (Youth North) or myself.

### The International Youth Camp

is due to be held in the Tauranga district from December 27<sup>th</sup>- 6<sup>th</sup> January, and is open to young NZ'ers aged between 17- 21 years, who would benefit from spending time with a number of foreign exchange students.

The cost is \$750 pp but could be fully or partly sponsored by a Lions Club. For more information please contact Stephanie or myself.

Phil Lightbourne

Youth South Chairperson.

## Club Activities---Global Services Team

Some excellent youth- focussed activities have taken place in zones 1 & 2 recently.

The **Manawatu Rural School's Junior Speechmaker contest** was held in

the Rongotea Rec Centre on Sunday 20<sup>th</sup> October, in front of parents, teachers, friends and family members who gathered to hear the speeches delivered by 6 young speechmakers. The standard of speeches was very high and the judges from Freyberg High School commented on the quality. The

winners were: Year 6- Arnya Burema from North St School in Feilding whose topic "I believe in the power of a smile". The Y7 & 8 winning speaker was Eave Salt from Foxton Beach School who spoke on "Mind Over Money". These two speakers will go on to the District contest in Hawera.

**Palmerston North Heartland Lions along with two PN Intermediate Normal Leos assisted with a Red Nose walk** in Palmerston North and **PNINS Leo Club members** organised a mufti day and raised \$1100 for Cure Kids. They have had a social worker from iCAN to talk about coping with bullying, and a representative from Te Manawa Family Services talking about communication. They also raised funds to send a school literacy team of 4, to Singapore for an international competition. Well done PNINS Leos.

**Ross Intermediate Leos** are now a chartered club and have organised projects with the funds going back to different projects at their school. From all accounts, they are an enthusiastic group to work with. Well done Ross Intermediate Leos.

**Kairanga Leos** raised \$800 for Relay for Life and are soon to assist with the Kairanga Club's forthcoming projects- fireworks display and the PN Christmas Parade. Great work Kairanga Leos.

**Rongotea Lions** have fully sponsored 3 young people with leadership aspirations, to attend **the Summit Leadership Challenge at the Hillary Outdoors Centre**, in December.

### **Stratford**

A big thank you to Donna Bridgeman who organised our first Environmental Walk on Saturday 28th September. We were split into 4 groups with the 14 members and partners who turned up. A

reasonable amount of rubbish was collected in just over in an hour, followed by a debriefing was held afterwards at Malones.

#####

### **Kaponga**

The club christened our new BBQ, What a piece of machinery, it will be a real asset to the club. Thanks to John O'Dea, Brendan Forsythe, Colin and Shelley Pope Alistair McGregor, Nathaniel Campbell/Clark and the team at Michael Bloemen Engineering for getting this project up and running.

### **PN Middle District**

Since 2015, the Club has maintained a portion of the popular and picturesque Linear Trail which runs through Mount Barker. This involves Rubbish collection, Small-scale weed removal and shrub maintenance and Maintenance of bench seats and wooden artworks (occasional repainting, oiling and graffiti removal). This is a collaborative project with the Mt Barker District Council.

### **PN Middle District Presidents Report (*Dennis Wan*):**

What a month for me. Jan's brother died suddenly late Aug without leaving a will and having no family except his brother and two sisters. Making it more difficult was he lived in Australia. This is going to be a long and expensive process. I would urge everyone who does not have a will to make one as soon as possible as it will save your family a huge amount of heartache and worry. Tell your children to make one as well. Now on to better things. The club has been busy especially the various sub committees such as the convention committee who I know are hard at work preparing for Feb 2020. The mini golf people seeking resource consent and preparing plans and of course the projects committee preparing for the coming summer of fund-raising events. The first one commencing in a few weeks' time. Well done every-one and thank you for all your good work. Well done to DG Roy and Zone Chair-man Graeme who attended the Clearview meeting at Julia Wallace and assisting with the formation of a full Lions Club. They currently have approx. 16 members but need about 20-22 to form. MDL have been asked to sponsor this fledgling club and I urge you all if there is some way you can assist please let DG Roy know.

The spuds are all in the ground and we all (except Terry and John) have 94 days to produce maximum crops. T & J had 96 days. You never know it might make a difference!!! Good luck everyone.

### **Hawera Mt View President's Report—Maree Goldworthy**

A busy time with Cameo, Pink ribbon and World Service day. This was very enjoyable and thanks to everyone that helped in any way.

9 of us went to Normanby Lions Tea meeting. Mike Short was the speaker, he is the Publicity and Marketing officer and is in cabinet.

We have a few things coming up between now and Christmas and I know everyone will do their bit to assist.

We have the CMF Walk for Kids 19th October, Speechmakers on 3rd November.

Then there is Arts in the Park, the Christmas raffle, Breakfast with Santa 14th December and Christmas potatoes. These are just a few of the things coming up. Put your running shoes on ladies!

On the 19th and 20th of this month there was a “Woman’s Lifestyle Expo” held at the TSB Stadium in New Plymouth. Thousands of women attended the expo to seek out what’s new and available in feminine products and services. On the 19th(Saturday) it was mayhem and most exhibitors were busy, however on the next day the client was a little more relaxed and layback, and a mother daughter outing.

There were more than 120 companies involved at the annual New Plymouth Women's Lifestyle Expo at the TSB Stadium over the weekend, with features including a beauty lounge, makeup lounge, hair lounge plus a taste zone, artisan craft zone, goodie bags and service groups.

Among the Service groups there was Lions Club-New Voices promoting Lions clubs in our region and actively seeking the recruitment of women for our clubs. Over the 2 days we obtained over a dozen membership requests to join clubs from Whanganui up to Waitara.

## Bell Block Puketapu

She became a Director, then Vice President for the next 2 years before becoming President in 2009-10.

Towards the end of 2010, it was suggested that 202D hold a Multiple District Convention in New Plymouth. So one thing led to another, the Zone agreed to help, a Committee was formed and Jenny was asked to be Chairman. All this while she was on the District Cabinet as well.

Once it was all over, Jenny was presented with Life Membership of the Lloyd Morgan Lions Clubs Charitable Trust of which she was already an Honoured Member after her year as President.

Jenny has continued leading from the front over the past few years - Director of Welfare, Youth, Programme, and even Cabinet Almoner. Also Tail Twister twice and fill in on many other occasions. Now a senior Club member, it is time to officially recognise what Jenny has given for the Bell Block Puketapu Lions over the past 13 years.

District Governor Roy makes the presentation to Jenny.

Lion Bruce joined the Lions club of Waverley in 1977 and served as President in 1984/85. Bruce's school teaching roll and along with his wife Lyn and children, took him to the far north rural communities as school principal and also to the Solomon Islands. Moving back to the Dargaville area in his teaching role, then moving to the Tutukaka Coast in the late 80's.

Bruce lost his wife Lyn to illness in 1995, his interest in world travel was supported by his partner of 22 years - Shirley Olsen, together they travelled the world, in-between Lions projects and activities that Bruce initiated, which included major fundraising auctions, casino evenings, annual fish filleting project, personal invitation to Past International Lions President Dr. Clement Kusiack to go fishing with the Tutukaka Coast Lions, which was accepted, Youth programs and membership sponsoring.

Bruce's involvement with the community outside of Lions and his mentoring of under privileged youth, was also a major part of his life.

Lion Bruce was a Life member of Lions Clubs International and a Melvern Jones Fellow.

## **Joke of the month---Kairanga**

A man and his wife were having some problems at home and were giving each other the silent treatment.

Suddenly, the man realized that the next day, he would need his wife to wake him at 5:00 AM for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, 'Please wake me at 5:00 AM. He left it where he knew she would find it.

The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed.

The paper said, 'It is 5:00 AM. Wake up.'

Men are not equipped for these kinds of contests. God may have created man before woman, but there is always a rough draft before the masterpiece

Please, please help!

I'm having a problem with my car.

I think the transmission is messed up.

My car works fine during the daytime but won't drive at all at night.

I put it in "D" for daytime and I can go where I need to, but at night time when I put it in "N" for night, it won't move.

To top it off, the other day I was sitting at the Lights and this Guy sitting next to me wanted to race.

The lights turned green, I slammed it into "R" for race, stomped on the Accelerator, and slammed into the car behind me.

Any help with this situation would be greatly appreciated.

A woman was having a passionate affair with an Irish inspector from a pest-control company. One afternoon they were carrying on in the bedroom together when her husband arrived home unexpectedly.

The husband, however, became suspicious and after a search of the bedroom discovered the man in the closet.

'I'm an inspector from Bug-B Gone,' said the exterminator.

'I'm investigating a complaint about an infestation of moths,' the man replied.

The man looked down at himself and said, 'Those little bastards!'

## **Lions E-Clubhouse**

This is your official club website from now on. Some clubs in our District are using this site for a while now, and it is easy to register and develop if your club webmaster follows the link available.

## **Lions Club New Zealand**

This is a new website, and is easy to follow. It promotes the districts and activities that clubs in New Zealand are carrying out, but doesn't allow clubs to have a sub site. This is covered by Lions E-Clubhouse.

## **Lions Club International**

This site has now incorporates MyLCI and MyLion, plus has a lot of resource and information about Lions.

**Any member of a club can now enter this site and register to enter MyLCI/MyLion sections.** To do this you require your membership number and email address etc which can be obtained from your club secretary. **Secretaries, please ensure that your member's information is up to date.** When registering make certain you have your email site open on one page, and the registration site open on another page or window. This is needed when LCI send you a verification code, by email, to finalize the registration.

Club and District officers can only enter MyLCI.

# Notes – Lions Skills

## 2020 Emerging Lions Leadership Institute (ELLI)

### **Christchurch, New Zealand**

The next Emerging Lions Leadership Institute for Lions members of MD202 New Zealand will be held in Christchurch from 17 – 19 April 2020.

This institute teaches valuable leadership skills at the club level and is targeted at Lions who have not yet been a club president.

We actively encourage qualified candidates to apply.

Any Lion who has not yet served as President is eligible to apply. This course is excellent preparation for those who are about to take on Board roles, particularly those of President or Vice President.

The cost to participants is NZ\$100.

Please think about it, and discuss with your club Board. It would be great if our district could send a good contingent of members to this institute.

Please get in contact with Louise Knapman [knapman@xtra.co.nz](mailto:knapman@xtra.co.nz) for registration forms and further information.
