Lions Clubs International District 202F

We Serve

## DG Dave Saunders

Hi fellow Lions welcome to the DG's fortnightly blog,

I am still visiting clubs, I would have to say that every club visited has been a great experience, and with nothing but positive thoughts.

As a DG one of the highlights for me is meeting our fellow Lions in 202F. Visiting the membership gives one the opportunity to hear first hand, clubs and individuals thoughts ideas and concerns.

On a really positive note I pick up so many great ideas from the membership ( little positive tips, different ways of running things, promos, project management, membership retention and growth etc ).

Whether your club is large or small it is not the size of the membership that matters but how that individual clubs positive attitude towards helping others and their communities is achieved. ( An observation for smaller clubs, it is not always the larger the dollar amount donated that does the most good ).

As your DG I am charged with being on your Council Of Governors ( COG) there are seven DG's representing the seven NZ districts, this is the New Zealand governing body for all lions. We meet on a regular basis throughout the year, looking at all governance issues relating to all things in Lions NZ and International. In attendance there is a Council Advisory Board( CAB) which does all the background work for the council of governors , also in attendance there is one Legal and Financial administrator , they operate strictly a in an advisory only role to Council of Governors. We have a large agenda to get through each time we meet. There is on average a 165 page business document to read, discuss and pass any matters arising. (so life is not all beer and skittles for us DG's but can be very rewarding especially where positive outcomes are achieved).

Please do not forget to register early for your 202F Convention in 20/21<sup>st</sup> March 2020 I am hoping to get a large turnout from our membership

I LOOK FORWARD TO SEEING YOU THERE IN MARCH

Kindest regards to you all  
DG Dave Saunders

# Update from Lion Christine Kemp

## MD Diabetes Liaison Officer

Good morning

Over the past 9 years or so McCosh Charitable Trust has been offering free diabetes screening and education with Blood Pressure checks to the general public. They have found between 15 and 20% diabetics and or high BP results. In those years they have processed over 19,000 clients using donations to fund the project and volunteers to man it. Many of the screeners were/are Lions members but some were not. We were grateful to have nurses and ex nurses, doctors, students both medical and not medical as well as Jo Bloggs from the street offer their services to this special cause.

I am a trustee of the McCosh Trust and regretfully the trustee's have decided to stop the project after many hours of thought and prayer. I am in the position of being able to sell to interested parties ,preferably Lions districts, a start up gathering of things the project uses like gloves, BP monitors, diabetes monitors, lancets, strips, displays of what foods not to eat, advertising flags, pavements signs , chairs, tables and other things. Obviously the prices will be low and I will have some space in my office. I would also offer any district who is interested, my time and knowledge in order to act as a trainer for them. In time I would hope that they would find a skilled and experienced trainer locally.

Any district interested in getting involved seriously please contact me :

Lion Christine Kemp MD Diabetes Liaison officer

Phone 07-8267892, email, [mckg@slingshot.co.nz](mailto:mckg@slingshot.co.nz)

I can tell you all that the decision to stop the project was hard as reaching out to people in this way is one of the most satisfying , challenging, and tiring thing to do but if I was ten years younger I would start all over again.

Sincerely

Christine

At the Kahu Youth Volunteer Awards on the 5th December, held at Rippon conference centre, (middle) Wanaka Leo President Paris Woodhouse was presented with "Supreme Award" by Kahu Youth Chairperson Kate Goodsell. Right: Paris is supported by fellow Leo, Helene Price.

## TAONGA FROM THE TREASURER

I have been requested to include a small article for your District bulletin, to which I readily agreed.

Firstly, a big thanks to all of you who attended the recent roadshow to your District. I hope you learnt something new and please keep those questions coming.

This article deals with LCI funds. Did you know that no dollars from your International dues actually go to the United States?

Yes – that is actually true.

LCI have a US\$ denominated bank account via Westpac for both LCI and LCIF, it is held in New Zealand. Not a single dollar from this goes to the US.

A common question is what are the funds used for?

### LCI (Dues)

This covers the cost of Governor and LCI roles such as those for the Global Service Team. Primarily, it is used for training and development of NZ Lions and ultimately you as members should benefit from this.

### LCIF

These funds are used for LCI funded projects in New Zealand and can range from assistance to our Pacific neighbours to large donations to assist the Christchurch region earthquakes.

So, the next time someone tells you that your Lions dues and donations to LCIF do not go to the US, I assure you that's true.

HAVE A GREAT SOUTHLAND SPRING.

MD 202 Treasurer

# Club LCIF Coordinators

## District 202-F Club LCIF Coordinators.

Greetings from headquarters in Oak Brook, Illinois. First, I would like to thank each of you for serving as a Club LCIF Coordinator this year. As you may know, Lions Clubs International Foundation has served our Lions communities, both locally and globally, since 1968. And each of you may be familiar with *Campaign 100: Empowering Service*, the Foundation's current initiative to increase our service impact, fight diabetes, and expand our global causes.

Many of you have reached out to me to ask about the role of the Club LCIF Coordinator, and what types of tools are available to each of you that would support your work in promoting LCIF. In response, I have created brief presentations on the Foundation that can be shared with members in your club, covering topics such as:

- A general overview of LCIF
- Campaign 100
- The District and Club Community Impact Grant, which is available to clubs
- Types of club recognition

Types of individual recognition

Attached to this email is the first of such presentations, outlining the history of our Foundation and the support we have provided to the Lions of MD 202. Depending on the technical capabilities at your club meetings, you may use the attached PowerPoint presentation which contains speaking points in the notes section. For those without the ability to show the presentation, I have also attached a .pdf version of the presentation to this email.

Slide 8 of the presentation contains an optional video that highlights the work of the Foundation. Due to the size of the video, I am unable to attach to this email. However, should you choose to play the video, it can be downloaded at this link <https://www.lionsclubs.org/resources/96469176>. The video is also available to stream on YouTube at [https://youtu.be/KcbYh\\_xuHPI](https://youtu.be/KcbYh_xuHPI). Please let me know if you need any assistance downloading the video.

I hope you consider sharing the importance of our Foundation with members of your club. In the coming weeks I will be sending the second installment which provides an overview of Campaign 100. Until then, feel free to reach out to me with any questions you may have.

## Wanaka & Districts

Guest Speaker at the November meeting was Ralph Fegan. Wanaka Airport Manager.

Ash organised a deer fence stripping project which went well with great views over Queenstown with a BBQ & refreshments to finish. We received a cheque for a \$1000.00 for our effort.

President I had the privilege to present our trophies & \$1500.00 cheques to MACS best all round girl: Ruth Bennie & best all round boy: Jesse Robertson.

There is a 4x4 tour in January 2020 at Hill End Station so all hands on deck to support this project.

We have approved a grant for up \$1500 to the new Primary School – Te Kura – For shade trees for the students outdoor learning environment, which will also include a plaque.

Intended that we will plant these shelter trees, once an appropriate site is con-firmed with the school administration.

Spud in the bucket entrant money of \$250 will be donated to the Lions Hart Walker fund.

## West Otago

Some have been tailing, Heriot Playgroup celebrations and Peace poster competition.

The Fire Brigade have purchased their 4WD Ute (Rapid Response) with help from Lions and is currently away getting outfitted.

Coming up this month is the West Otago Show which involves the Lions on the entry gates and car parking.

On Saturday the 2 November the Lions Club were called on to run the Chocolate wheel at the Heriot Playcentre Gala Day. A Lolly Scramble towards the end of the day probably topped up the sugar rush long into the evening. A dozen or so West Otago Lions attended the screening of Ride like a girl on Tuesday 29th October.

After much fundraising the Lions were proud to present the West Otago Swimming Pool Committee with a cheque for \$33226. Our fundraising efforts were topped up by \$14000 from the Lloyd Morgan Trust

## Tapanui Fire Brigade Rapid Response Vehicle

## Toi Tois

**Kara Glover, Funding Manager, Southland Hospice** spoke. They are very appreciative of the funding they receive from the Community. The Hospice not only accommodates cancer patients but those with Dementia & Alzheimer's President Colin presented cheques from **Baleage Competition** to: Otago/Southland Rescue Helicopter \$8,400 & Kapuka 1000 presented cheque for \$2000; Tokanui Bowling Club \$8,400; and \$3000 to Hospice Southland.

## Ranfurlly Maniototo Pakeke

At this meeting it was discussed about the Ranfurlly Pakeke Bowling Club Tournament money being spent next year on NEW OUTDOOR FURNITURE for the patients at the Chalet and Hospital . Kevin McCrorie spoke about grants will be needed for the new Maniototo Area School being built next year . VDG Sue presented our President Anne

Cotton with a special presentation from Lions International a pin for her work in successfully being a sponsor for two new Club members. Neville reported that the potato sales amounted to \$525.00. Stewart reported that 39 Bags aboard the shed & sales for the month were \$932.00

Well done !!!

## Cromwell Lions

On December 1st 35 Lions to assisted at the Cromwell Races, Our Christmas breakup is at The Gate on Sunday, December 8th, We have been out and about in our community with the Cromwell School Fair by supplying our amenities and services for their catering needs also Tomus for the young and not so young at hearts for rides around the grounds and trees (most trees anyway, thanks John for the repairs).

The ½ marathon went well and a big thankyou to all our marshals and catering crews, as I write this the Hoedown is due to commence and I'm sure our eager volunteers will be toe tapping and feet stopping in the caravan while waiting for the masses to queue up for the hot food. The latest on the lion's garden at Old Cromwell is that we are waiting for a local contractor with a digger and large truck to dig out the flaxes and dispose of these plants.

Invercargill Host

Why would someone want to destroy this Table. ????

The Magic show on was on Sunday, 24 November 201 at 4pm and 7 pm. Club held a mystery envelope at our Club Meeting on Tuesday 19 November. Proceeds from this silent auction will be going to Hurricane Dorian. Throughout the year, Southland Girls High Leo's have joined the Invercargill Host Lions Club in their window cleaning at Hospice Southland. Thanks must also go to Environment Southland who's enabled us to organise a tree planting along the Waihopai River. It was great to see so many girls wanting to get involved in both of these events.

## Riversdale

### WHO ARE LIONS...

Lions are ordinary men, women and young people from all walks of life who bridge religious, political, economic, and social boundaries.

They are united in their desire to make a difference by contributing their personal time and talents to help other people.

Their motto is "WE SERVE".

Lions are community volunteers who roll up their sleeves to help young people, the elderly, the ailing, the needy, and in their environment.

There are approximately 350 clubs in the 202 Multiple District of seven districts, and 9,500 members in New Zealand, - also in Tonga, Samoa, American Samoa, and Fiji.

Constable Adam Roberts from Riversdale spoke on "Drugs" at November meeting.

The Riversdale Cemetery fence was done on Friday, 8 November, as a club working bee by six members. Is looking great!!

#### BAKING FOR CAMP QUALITY REQUIRED FOR JANUARY:

An ice-cream container of biscuits for children attending this camp who have cancer. If you are able to help, please deliver to our Secretary Viv Caughey before Christmas - to be delivered before 4 January!!

#### Roxburgh & Districts

Did catering for Heriot Playgroup 50th Centennial was very successful. Also catered at Guy Fawkes.

Catered for Film crew at the St Johns event we provided refreshments at racecourse and next day Roxburgh Dam after the group had canoed down the lake. Bakehouse opening- we helped with vintage cars and provided Marquee and tables. Rest Home- it was proposed we support the fundraising in 2021, Directors are in favor of this.

## OHAI NIGHTCAPS COMMUNITY HEALTH DAY REPORT:

Fifty Two residents of and visitors to Ohai, Nightcaps and Districts recently had their general health checked at the Takitimu Community Health Day, held at the Nightcaps Town Hall on Wednesday 6<sup>th</sup> November, 2019.

The event was organised by the Ohai / Nightcaps Lions Club in association with the Nightcaps Medical Trust, Ohai Volunteer Fire Brigade and the Southern Institute of Technology School of Nursing. The event was a great success with everyone that attended either agreeing or strongly agreeing that the day was useful, informative and important.

The 52 people that attended the event had their Blood Pressure, Blood Sugar, Peak Expiratory Flow, Vision, Hearing, Heart Rate, Blood Oxygen and Cholesterol tested, all for the cost of a gold coin entry fee which included a fantastic and healthy country style lunch.

Overall the test results indicated that those tested were generally very healthy, although a few members of the public were advised to follow up the event with a visit to their own doctor with concerns about higher than normal blood pressure readings. Similarly, several people were recommended to follow up for noise induced hearing loss as a result of Hearing Checks performed by Audiology South, Winton.

Mary McMillan, Nurse Educator at the School of Nursing, Southern Institute of Technology, congratulated the Ohai / Nightcaps Lions Club for organizing the event and praised the community for supporting the day and being aware of the importance of regular health checks.

There were also over 20 Support Groups that attended the day, taking the opportunity to meet with the local community and promote their services and products. They all really enjoyed the event and the chance to network with the local residents.

All those that attended indicated that they would attend another event in the future.

THANK YOU to all the Lions Club members that turned up on the day, it was good to see such a great turnout of members helping.

*The following points were raised at the Debrief held at the last Directors meeting.*

*3.00 pm means 3.00 pm, no one should be turned away prior to 3.00 pm, however it should be made clear that the last time for the Health Checks should be stipulated, say 2.30 pm.*

*52 people being checked was just about the right number.*

*6 voted to hold the event every two year, 3 voted for every 3 years, 2 was the unanimous decision. Try a Winter date next time and Summer the following time. April could be a good time of the year but would need to be able to work in with SIT.*

*More awareness of how a Defibrillator works and maybe the Fire Brigade could have CPR "Have A Go" sessions.*

*There was no publicity outside the hall on the day, Medical Trust are looking at getting a teardrop banner, will wait for a request from them if they want to go half shares in it, bearing in mind that we have our own banner on order.*

*Bill Mather,  
Project Convener.*

### Invercargill Leo the Lion Report

1 September 2019

Adventures Leo Lions since March report, two boxes have had patches sewn on them and just about all have been on adventures apart from 5 who are just about to be put in Ambulances.

We have had a noticeable increase in kids being sick over the last few months. But saying that this flu has affected a lot of adults in the same way.

**Medical - 60 cases.** Ages range from 4 months to 14 years. (Cases were breathing issues, flu like symptoms, seizures, Allergic reaction, Febrile seizures, rashes and chest infections)

**Trauma - 36 cases.** Ages 3 years to 12 years. (Bruising from falls, Lacerations including a high being split open, fractures – Open and closed, Crush injury- Trapped by heavy object, Sports injuries – ankles and hockey sticks injury)

**Siblings – 4** (Parent sick child received one, Child respiratory arrest - (other children upset Lion given for comfort)

The best story this month was a 10 year who wanted to know every little detail of his injury, what the crew and hospital were going to do for treatment, did it involve needles or surgery. But when Leo the Lion was offered to him he just wanted to cuddle it. Crew said it was like **Magic**.

Thank you for your support, its much appreciated.
