

Accommodation for the Emerging Lions Leadership Institute

Massey university Sports and Rugby Institute

Address: 56 Albany Drive, Linton, Palmerston North 4474

As part of the \$150.00 fee for the course your accommodation for Friday 13th and Saturday 14th January will be an experience all its own at the Massey University Sports and Rugby Institute. Home of the International Rugby Academy and the place where our very own All Blacks have trained.

I had the privilege of visiting this site and from the moment you walk in, with the door handles the shape of rugby balls and in fact the whole building in that same oval shape you can feel the history of our National rugby.

Everyone is expected to stay on site as the interaction and socialisation of the all is just as important as the workshops attended.

The Institute was built as a joint venture between Massey University and the New Zealand Rugby Union in 1999, to be fully equipped for high performance rugby. It is now marketed as a training facility for a diversity of sporting codes and a venue for corporate training and functions.

It will be on a share twin basis with shared bathrooms

If you would like to have a room to yourself we have the option of the Massey University campus which is just down the road from the Institute. This would be at an extra cost of \$40 per night.
